Warnings & Precautions:

- CAUTION: To prevent electric shock, match the wide blade of the line cord plug to the wide slot of the power outlet.
- WARNING: To reduce the risk of fire or electric shock, do not expose this apparatus to rain or moisture. Do not use this apparatus near water, such as a bathtub, washbowl, kitchen sink, laundry tub, swimming pool, or the like.
- RFID: This device complies with FCC rules Part 15. It has been evaluated and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Supplier's Declaration of Conformity 47 CFR 15.21, 15.105(b)
Supplier: Sentry Industries Inc.
Model: BTA2000
Brand: Sentry
Product Name: Sentry Bluetooth Earphone and Headphone
Serial No.: 10000000000000000000000000000000
Manufacturing Date: 2023/01/01
Manufacturing Location: Shenzhen, China
Supplier Address: 123 Main Street, Anytown, NY 10031
Supplier Contact: 1-845-751-3910

Important Safety Instructions

Charging your device

Always use the power adapter and charging cable with applicable country regulations and international and regional safety standards. Other power adapters may not meet applicable safety standards. Avoid prolonged direct sunlight on the charging cable to prevent overheating. Avoid placing the cable under the charging adapter or where the charging cable is connected to a power source because it may cause discomfort or damage to the cable.

EU Declaration of Conformity

This product is CE marked to denote conformity with Directives 72/23/EEC (low voltage) and 89/336/EEC (radio equipment and telecommunications terminal equipment). The EU declaration of conformity is available at <https://www.sentryindustries.com/european-declaration-of-conformity>

CE Marking

This product is CE marked to denote conformity with Directives 72/23/EEC (low voltage) and 89/336/EEC (radio equipment and telecommunications terminal equipment). The EU declaration of conformity is available at <https://www.sentryindustries.com/european-declaration-of-conformity>

Disposal

Do not dispose of this equipment as household waste. Please recycle where facilities exist. Check with your local authority for advice on recycling this equipment.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

The device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and (2) this device must accept any interference, including interference that may cause undesired operation.

The device has been evaluated to meet general RF exposure requirement. The device can be used in a private exposure condition without restriction.
