LIGHT-UP
WIRELESS SPEAKER

LIGHT-UP WIRELESS SPEAKER

- 1 Power on/off/change mode
- 2 Volume down/Last song
- 3 Volume up/Next song
- 4 Pause/Play/Answer/Hang up/Reject/Disconnect

- 5 TF card input
- 6 USB Charging port
- 7 Aux input
- 8 Lighting control

Specifications:

Driver Unit: 52mm
Impedance: 32 \pm 1.3ohms
Power: 16MW
Sensitivity: 106dB \pm 1.3dB
Frequency: 20Hz-20KHz
Battery: Lithium-ion
CLASS 1 LED PRODUCT
Playback: 4HR@50% volume
Communication system: Bluetooth Specification version 5.3
Battery Capacity: 400mAh
Operating Temperature: 0 $^{\circ}$ C to 40 $^{\circ}$ C
Radio Frequency: 2.402 GHz-2.480 GHz
Note: Actual playback times and charge times are approximate and based on 50% volume, and the product is fully charged. Battery performance may be affected by multiple factors including but not limited to ambient temperature, listening volume, and/or distance from the source audio device.
USB Type-C[®] and USB-C[®] are registered trademarks of USB Implementers Forum.

Bluetooth Pairing/Connection:

Turn on the product. Bluetooth mode will be activated automatically. Enable bluetooth function on your media device. Search the bluetooth device named **SPBTRGB**. Click or tap to connect (pair). After successful connection (pairing) you will hear "connected" Now you can play music, or use bluetooth phone functions.

Rejection: Double click the button, then release it. Change mode: Press the button to switch FM mode.
Lighting control: Press the button to change the color of the light.
Disconnect: Press and hold the button for 3 seconds to disconnect the bluetooth.

Solutions to conventional problems

● Unsuccessful connection and pairing

1. Check whether the speaker is in the search state, or reboot
2. Too many peripheral Bluetooth devices make searching difficult, turn off other Bluetooth devices
3. Check if there is any Bluetooth device connected to this machine around, it needs to be disconnected

● Low or distorted sound

1. Please charge the battery when the voltage is low
2. Check the volume of the Bluetooth device and adjust the volume to a suitable sound level (different songs have different decoding rates and different response sound effects)
3. Reopen the Bluetooth speaker and mobile phone digital device Bluetooth connection

● Music breaks

Whether it exceeds the effective connection distance of the speaker, or whether there is an obstacle between the speaker and the Bluetooth device

Included Cables

1 USB/DC 5V USB

To charge device:
Plug the small side of the USB cable into the usb charging port on your headset and plug the large end into usb port on a computer, or ac adapter (not included).
SPBTRGB: when the product is charging, the LED light will keep in red color, when the product is fully charged the red LED light will be off

Important Safety Instructions & Warnings

Charging your device

Only use a power adapter with applicable country regulations and international and regional safety standards. Other power adapters may not meet applicable safety standards, and using such adapters could pose a risk of death or injury.

Avoid prolonged skin contact with the charging cable and connector when the charging cable is connected to a power source because it may cause discomfort or injury. Sleeping or sitting on the charging cable or connector should be avoided.

Important Safety Instructions

1. Read these Instructions.
2. Keep these Instructions.
3. Heed all Warnings.
4. Follow all instructions.
5. Do not use this device near water.
6. Clean only with a dry cloth.
7. Do not block any ventilation openings. Use in accordance with the manufacturer's instructions.
8. Do not charge near any heat sources such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat.
9. Discontinue use if damaged.
10. Protect the cord from being walked on or pinched particularly at plugs, convenience receptacles, to the point where they exit from the device.
11. Only use attachments/accessories specified by the manufacturer.
12. Unplug this apparatus during lightning storms and when charging is completed.
13. Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, such as power supply cord or plug is damaged, liquid has been spilled or objects have fallen into the apparatus, the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped.
14. Headphones are capable of producing sound levels which can be harmful to your hearing. Do not listen at high volume for prolonged periods of time. Never wear headphones while operating a vehicle. Headphones may block out surrounding sounds. Use with caution. User assumes all risks associated with the use of this product.

WARNING

- CAUTION: To prevent electric shock, use only compatible and certified USB charging devices.
- WARNING: To reduce the risk of fire or electric shock, do not expose this apparatus to rain or moisture.
- CAUTION: Use of controls or adjustments or performance of procedures other than those specified may damage your device.
- WARNING: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
- WARNING: Always store in a cool dry location.
- WARNING: Headphones are capable of producing sound levels which can be harmful to your hearing.
- Do not listen at high volume for prolonged periods of time. Headphones may block out surrounding sounds. Never wear headphones while operating a vehicle. Use with caution. User assumes all risks associated with the use of this product.
- WARNING: Don't over insert into ear canal. Discontinue use at the first sign of discomfort. Only use designed pads. Do not use dirty or damaged ear pads.
- Contains small parts that may present a choking hazard. Keep away from children.

90-Day Warranty

Sentry warrants this product to be free from defects in materials and workmanship for 90-days from the date of original purchase. This warranty does not pertain to damage resulting from accident, abnormal use, misuse or neglect. Any defective product will be replaced if returned to an authorized Sentry dealer or to Sentry directly at: P.O. Box 885, One Bridge St. Hillburn, NY 10931. Please enclose a check for \$5.00 for shipping & handling.

FCC Compliance Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

"NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment."

WARNING: To prevent possible hearing damage, do not listen at high volume levels for long periods. For traffic safety, do not use earphones while driving or cycling. If you have a pacemaker or other electrical medical devices, you should consult your physician before using the product.

Choking hazard: The product, packaging and some of the included accessories may present a choking hazard to small children. Keep these accessories away from small children. The bags themselves or the many small parts they contain may cause choking if ingested.

Danger: Improper battery replacement may cause an explosion and injury.
