Subject: FCC/IC Compliance Statements

Dear Sirs,

We hereby assure that the following caution statements [CFR 47, §15.21]

“Changes or modifications not expressly approved by the party responsible for compliance could void the user’s authority to operate the equipment.”

and in addition [CFR 47, §15.19(a)(3)]

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

are both placed in a prominent location in the final version of the users manual or pamphlet supplied to the user or alternatively placed on the container/box in which the device is marketed.

If you have any questions, please feel free to contact me at the address shown below.

Yours sincerely,

Signatory
