FCC STATEMENT

1. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference.

(2) This device must accept any interference received, including interference that may cause undesired operation.

2. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC Radiation Exposure Statement

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator & your body

EN

If you want to dispose this product, do not mix it with general household waste. There is a separate collection system for used electronic products in accordance with legislation that requires proper treatment, recovery and recycling.

Private household in the 28 member states of the EU, in Switzerland and Norway may return their used electronic products free of charge to designated collection facilities or to a retailer (if you purchase a similar new one).

For Countries not mentioned above, please contact your local authorities for a correct method of disposal.

By doing so you will ensure that your disposed product undergoes the necessary treatment, recovery and recycling and thus prevent potential negative effects on the environment and human health.

**FR**

Ce produit ne doit pas être jeté avec les ordures ménagères. Il existe un service de collecte séparé pour les produits électroniques usés. Ce service respecte les législations sur le traitement approprié, la récupération et le recyclage.

Les consommateurs des 28 pays membres de l'Union européenne, de la Suisse et de la Norvège peuvent se départir gratuitement de leurs produits électroniques usagés dans des points de collecte désignés, ou auprès d'un revendeur (lorsqu'un nouveau produit est acheté).

Pour les autres pays, veuillez contacter votre administration locale pour connaître la méthode de mise au rebut appropriée.

En procédant ainsi, vous êtes assuré que votre produit sera correctement traité, récupéré et recyclé afin de prévenir les effets négatifs possibles sur l'environnement et la santé.

IT

Se desideri smaltire questo prodotto, occorre separarlo dai normali rifiuti domestici. In conformità alla legislazione, esiste un sistema di raccolta separato per i prodotti elettronici usati, il quale prevede particolari procedure di trattamento, stoccaggio e riciclo.

Nei 28 stati membri dell'UE, in Svizzera e in Norvegia, il privato cittadino può smaltire i propri prodotti elettronici usati rivolgendosi ad un rivenditore (in caso di acquisto di un nuovo prodotto simile), oppure presso apposite strutture per la raccolta, senza alcuna spesa a proprio carico.

Per altri Stati non menzionati nel paragrafo precedente, si prega di contattare le autorità locali per avere informazioni riguardanti i metodi corretti di smaltimento.

In questo modo, si assicura che il prodotto smaltito sarà sottoposto alle necessarie procedure di trattamento, stoccaggio e riciclo, prevenendo potenziali effetti negativi sull'ambiente e sulla salute umana.

DE

Dieses Produkt darf nicht mit dem normalen Hausmüll entsorgt werden. Es gibt ein separates Entsorgungssystem für gebrauchte elektronische Produkte, das die gesetzlichen Vorschriften zur korrekten Behandlung, Verarbeitung und Wiederaufbereitung erfüllt.

Private Haushalte in den 28 Mitgliedstaaten der EU, in der Schweiz und Norwegen können ihre gebrauchten elektronischen Produkte kostenlos bei ausgewiesenen Sammelstellen oder Einzelhändlern (bei Kauf eines ähnlichen neuen Produkts) abgeben.

In Ländern, die nicht oben erwähnt wurden, informieren Sie sich bitte bei Ihrer Gemeindeverwaltung über eine korrekte Entsorgungsmöglichkeit.

Auf diese Weise stellen Sie sicher, dass Ihr entsorgtes Produkt sachgemäß behandelt, verarbeitet und wiederaufbereitet wird und potentielle negative Auswirkungen auf die Umwelt und menschliche Gesundheit vermieden werden.

ES

A la hora de deshacerse de este aparato, no lo elimine junto con la basura orgánica. Existe un procedimiento de eliminación de aparatos electrónicos usados que cumple con la legislación actual sobre tratamiento, recuperación y reciclaje de elementos electrónicos.

Todos los usuarios no profesionales y que sean ciudadanos de uno de los 28 países miembros de la EU, Suiza y Noruega, pueden devolver sus aparatos electrónicos usados, sin coste alguno, al comercio en el que fueron adquiridos (si adquiere allí otro aparato similar) o en determinados puntos limpios designados

En el caso de cualquier otro país distinto a los anteriores, póngase en contacto con las autoridades locales para que le informen del método adecuado para deshacerse de este aparato. El hacer lo anterior le asegurará que este aparato sea eliminado siguiendo las normas actuales de tratamiento, recuperación y reciclaje de materiales, evitando los posibles efectos negativos para el medio ambiente y la salud.
