- Please read this manual before using the device to ensure safe and proper use.
- Images may differ in appearance from the actual product. Content is subject to change without prior notice. You can access the full user manual for more information. Visit www.samsung.com to view device information, the user manual, and more.
- To learn how to remove the battery from the device, refer to the user manual.

Device layout

a	Ear hook	e	Indicator light
b	Charging socket	f	Power switch
c	Ear tip	g	Talk button
d	Volume button	h	Microphone

Charging the battery

Before using the device for the first time, you must charge the battery.

Connect the device to a computer or the USB power adaptor via the USB cable.

-  The charger should remain close to the electric socket and easily accessible while charging.

Turning the device on or off

Slide the Power switch to turn the headset of or off.

-  When you turn on the headset for the first time, it enters Bluetooth pairing mode.

Connecting with manual pairing

You can receive incoming calls or listen to music when your headset is connected to Bluetooth-enabled devices.

1. Turn on the headset, then press and hold the Talk button for 3 seconds to enter Bluetooth pairing mode.
2. Activate Bluetooth on the other device, and tap **EO-MG920** from the list of available devices.

Safety information

Read all safety information before using the device to ensure safe and proper use. To view the full safety information, refer to the Samsung website.

Use manufacturer-approved batteries, chargers, accessories, and supplies

Do not touch the device with wet hands

Do not drop or cause an impact to the charger or the device

Do not store your device in very hot or very cold areas. It is recommended to use your device at temperatures from 5 °C to 35 °C

Do not allow children or animals to chew or suck the device

Do not disassemble, modify, or repair your device

Do not use a headset while driving or riding. Doing so may distract your attention and cause an accident, or may be illegal depending on your region

To prevent possible hearing damage when using a headset, do not listen to sound at high volume for long periods.

This marking on the product, accessories or literature indicates that the product and its electronic accessories (e.g. charger, headset, USB cable) should not be disposed of with other household waste.

This product is RoHS compliant.

This marking on the battery, manual or packaging indicates that the batteries in this product should not be disposed of with other household waste.
