- Please read this manual before using the device to ensure safe and proper use.
- Images may differ in appearance from the actual product. Content is subject to change without prior notice. You can access the full user manual for more information. Visit [www.samsung.com](http://www.samsung.com) to view device information, the user manual, and more.

## Device layout

<b>a</b>	Wireless charging surface	<b>c</b>	Indicator light
<b>b</b>	Charging port		

Wireless charging cover and travel adaptor sold separately.

## Using the wireless charger

1. Connect the travel adaptor to the wireless charger. Then, place a supported mobile device in the centre of the charging surface.
2. When the mobile device is fully charged, disconnect the travel adaptor from the wireless charger.

Use only Samsung-approved travel adaptors (5 V/2 A).

The travel adaptor should remain close to the electric socket and easily accessible while charging.

## Safety information

Read all safety information before using the device to ensure safe and proper use. To view the full safety information, refer to the Samsung website.

**Use manufacturer-approved batteries, chargers, accessories, and supplies**

**Do not touch the device with wet hands**

**Do not drop or cause an impact to the charger or the device**

**Do not store your device in very hot or very cold areas. It is recommended to use your device at temperatures from 5°C to 35°C**

**Prevent the multipurpose jack and the small end of the charger from contact with conductive materials, such as liquids, dust, metal powders, and pencil leads**

**Do not allow children or animals to chew or suck the device**

**Do not disassemble, modify, or repair your device**

**Magnetic stripe cards, including credit cards, phone cards, passbooks, and boarding passes, may be damaged by magnetic fields**

## **Correct disposal**

This marking on the product, accessories or literature indicates that the product and its electronic accessories (e.g. charger, headset, USB cable) should not be disposed of with other household waste. This product is RoHS compliant.

## **FCC Warning Statement**

### **FCC Part 15.19**

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

### **FCC Part 15.21**

Any changes or modifications (including the antennas) to this device that are not expressly approved by the manufacturer may void the user's authority to operate the equipment.

### **FCC RF Radiation Exposure Statement**

This equipment complies with FCC RF Radiation exposure limits set forth for an uncontrolled environment. This device and its antenna must not be co-located or operating in conjunction with any other antenna or transmitter.

This equipment should be installed and operated with a minimum distance of 20 centimeters between the radiator and your body.

## **IC Warning Statement**

This device complies with Industry Canada licence-exempt RSS standard(s).

Operation is subject to the following two conditions: (1) this device may not cause interference, and  
(2) this device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes : (1) l'appareil ne doit pas produire de brouillage, et  
(2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

## **IC RF Radiation Exposure Statement**

This equipment complies with IC RF Radiation exposure limits set forth for an uncontrolled environment.

This device and its antenna must not be co-located or operating in conjunction with any other antenna or transmitter.

## **Déclaration d'Industrie Canada sur l'exposition aux radiofréquences**

Cet équipement est conforme aux limites établies par Industrie Canada en matière d'exposition aux radiofréquences dans un environnement non contrôlé. Cet appareil et son antenne ne doivent pas être colocalisés ou fonctionner en conjonction avec tout autre antenne ou émetteur.

Cet équipement doit être installé et utilisé avec une distance minimale de 20cm entre le radiateur et votre corps.
