Color:

Stainless Steel

RFG297AARS

29 cu. ft. French Door Refrigerator with Premium External Water & Ice Dispenser

Twin Cooling Plus®:

Delivers superior food preservation results usually only found in advanced commercial-grade cooling systems. Twin Cooling Plus®, the next generation of Twin Cooling® technology, uses two evaporators with only one compressor to independently control temperature in the refrigerator and freezer compartments maintaining optimal humidity levels and preventing odor transfers between compartments.

Surround Air Flow:

Provides even cooling throughout the refrigerator to maintain optimal temperatures to keep food fresh.

Power Freeze and Power Cool Options:

Adjusts the temperature quickly when the refrigerator or freezer compartments needs to be cooled due to repeated door openings.

CoolSelect Pantry™ :

Provides additional temperature control for your food storage needs with Fresh, Chilled and Deli options.

External Digital Display and Control:

Controlling the refrigerator is easy with the external digital display. It shows the inside temperatures, when to change your filter and also controls the ice and water dispenser.

Other Features:

Water Filter :

Samsung's premium external ice and water dispenser provides filtered water and ice without sacrificing your interior space.

Door Alarm:

Prevents food spoilage by alerting you if the freezer or refrigerator door has been accidentally left open.

French door design provides easy access to fresh food and flexible storage options.

Twin Cooling Plus® system uses two evaporators with only one compressor to independently control the temperature in the refrigerator and freezer.

CoolSelect Pantry™ controls your food storage needs with Fresh, Chilled and Deli options.

EZ-Open Handle™ lifts the handle to open the freezer with no force needed.

Design and specifications are subject to change without notice. Non-metric weights and measurements are approximate.
