## 25 cu. ft. Counter Depth Side by Side Refrigerator with In-Door Ice Maker

### Twin Cooling Plus®:

Delivers superior food preservation results usually only found in advanced commercial-grade cooling systems. Twin Cooling Plus®, the next generation of Twin Cooling® technology, uses two evaporators with only one compressor to independently control temperature in the refrigerator and freezer compartments maintaining optimal humidity levels and preventing odor transfers between compartments.

### Power Freeze and Power Cool Options:

Adjusts the temperature quickly when the refrigerator or freezer compartments needs to be cooled due to repeated door openings.

### Multi Air Flow:

Provides even cooling throughout the refrigerator to maintain optimal temperatures to keep food fresh.

### External Digital Display and Control:

Controlling the refrigerator is easy with the external digital display. It shows the inside temperatures, when to change your filter and also controls the ice and water dispenser.

### Premium Design In-Door Ice and Water Dispenser:

Quick and easy access to filtered water and cubed/crushed ice at your fingertips with the external dispenser.

### LED Tower Lighting:

See everything in a new light with LED tower lighting.

### Water Filter:

Samsung's premium external ice and water dispenser provides filtered water and ice without sacrificing your interior space.
