NC10 Netbook

You,
  connected 24/7.

Introducing the new Samsung NC10 netbook. Weighing a mere 2.8 pounds, it's designed to keep you online and on the go. Experience the freedom to surf the Web, shop and chat on IM with the latest wireless technology. Zip through your online applications with an Intel® Atom™ processor. Store all your favorite videos, music, images and more with 160GB of storage, and enjoy them on a screen of 10.1 or 10.2 inches. And with up to 6 hours of battery life, the NC10 brings you all kinds of staying power.

Samsung netbooks. Passion for perfection.

Features:

Ultra Mobility
Weighing just 2.8 pounds, the NC10 is one of the lightest netbooks in its class. And it's loaded with the latest technology for maximum performance and minimum weight.

Extended Battery Life
With a standard 5200mAh high-capacity battery, you can surf the Web for up to 6 hours on a single battery charge.

Intel® Atom™ Processor Technology
Newly designed from the ground up, the Intel Atom processors pack an astounding 47 million transistors on a single chip, delivering the power and performance you need for full Internet capabilities.

WiMAX-Ready
With a WiMAX-ready notebook, you'll enjoy a next generation internet experience anywhere CLEAR has coverage. Check CLEAR coverage (link to: http://www.clear.com/shop/get_clear.php).

Simple Data Sharing
With a host of advanced connectivity tools, including a 3-in-1 memory card reader, 3 x USB 2.0 ports, and Bluetooth 2.0 + EDR, you can seamlessly move data from your digital camera, camcorder, MP3 player or PDA straight to the netbook.

High-Capacity Data Storage*
With its voluminous 160GB hard disk drive, the NC10 lets you store everything you want from the Web.

Nearly Full-Sized Keyboard
A 93 percent full-size keyboard ensures you can easily IM, email and check out all your favorite websites.

LED-Backlit Display
Using an LED-backlit screen instead of a traditional LCD screen enables a brighter display. It also uses less power, which extends battery life.
