Warning

- Risk of Electric Shock. Install in accordance with all regional, national, and local electrical codes.
- Risk of Serious Injury, Death, or Property Damage or Loss. Install and use properly—as described in this and other product documents—to avoid danger of injury, death, or property damage or loss.
- Risk of Serious Injury, Death, or Property Damage or Loss. If you are unsure about any part of these instructions, consult Customer Service or a qualified dealer.
- Risk of Overheating. To reduce the risk of overheating and possible damage to other equipment, install and use properly as described in this and other product documents.
- For the Savant Lamp Control: Prior to changing a light bulb or performing any
 other maintenance to the light fixture, turn off the lamp controller via the Savant
 App™ or unplug the lamp itself from the Savant Lamp Control.

A Caution

- This product generates heat during normal operation.
- Charging your device: Please use only the Savant power adaptor and USB charging cable packed with and intended for use with your Savant product. Other power adaptors and accessories may damage your device. Do not use a power adaptor and cable intended for other models of Savant products. Do not use a power adaptor or cable that has frayed or otherwise been damaged.

Your Savant product is an electronic/electrical device. Follow the same basic safety procedures and cautions you would follow with any electrical device.

- Your Savant device, USB cables, and adaptors are not waterproof. To avoid risk of electric shock, overheating, melting, burns or other injury or damage, keep the device and all accessories away from water and other liquids. Do not use the cable if either end of the cable gets wet or is exposed to liquid spray or excessive moisture. Do not expose your Savant device, cables, and power adaptor to food or any liquids, or to wet or damp conditions.
- Use or modification of this product in a manner not expressly approved by Savant voids your warranty. Further, Savant is not liable for any damage incurred with the misuse of this product. See "Limited Warranty."

A Cleaning

To clean the outside of your Savant product, please use a dry, soft, lint-free
or micro-fiber cloth to wipe any dust off from the surface of your device. Do
not use any spray or liquid cleaners, or any aerosol sprays, solvents, chemicals,
or abrasives, which may damage the device.

For the Savant Remote only: To clean the touchscreen of your Savant Remote, first power off the remote and then use a dry, soft, lint-free or micro-fiber cloth to wipe clean the display. Avoid using any spray or liquid cleaners on the screen.

This device complies with Part 15 of the Federal Communication Commission Rules. Operation is subject to the following two conditions:

- 1. This device may not cause harmful interference, and
- this device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of the following measures:

- Reorient or relocate the receiving antenna
- Increase the separation between the equipment and receiver
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected
- Consult the dealer or an experienced radio/TV technician for help

FCC Caution

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter. Operations in the 5.15-5.25GH band are restricted to indoor usage only.

Radiation Exposure Statement

This device meets the government's requirements for exposure to radio waves. This device is designed and manufactured not to exceed the emission limits for exposure to radio frequency (RF) energy set by the Federal Communications Commission of the U.S. Government.

The exposure standard for wireless device employs a unit of measurement known as the Specific Absorption Rate, or SAR. The SAR limit set by the FCC is 1.6W/kg. *Tests for SAR are conducted using standard operating positions accepted by the FCC with the device transmitting at its highest certified power level in all tested frequency bands.

This device complies with Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions:

- 1. This device may not cause interference, and
- This device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes:

- 1. L'appareil ne doit pas produire de brouillage, et
- L'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.
- This Class B digital apparatus complies with Canadian ICES-003.
- Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.
- This device complies with RSS-310 of Industry Canada. Operation is subject to the condition that this device does not cause harmful interference.
- Cet appareil est conforme à la norme RSS-310 d'Industrie Canada. L'opération est soumise à la condition que cet appareil ne provoque aucune interférence nuisible.

Radiation Exposure Statement

This equipment complies with IC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator & your body.

Déclaration d'exposition aux radiations

Cet équipement est conforme aux limites d'exposition aux rayonnements IC établies pour un environnementnon contrôlé. Cet équipement doit être installé et utilisé avec un minimum de 20 cm de distance entre la source de rayonnement et votre corps.

- This device and its antenna(s) must not be co-located or operating in conjunction with any other antenna or transmitter, except tested built-in radios. The County Code Selection feature is disabled for products marketed in the US/Canada.
- Cet appareil et son antenne ne doivent pas être situés ou fonctionner en conjonction avec une autre antenne ou un autre émetteur, exception faites des radios intégrées qui ont été testées. La fonction de sélection de l'indicatif du pays est désactivée pour les produits commercialisés aux États-Unis et au Canada.

Caution

- The device for operation in the band 5150-5250 MHz is only for indoor use to reduce the potential for harmful interference to co-channel mobile satellite systems;
- The maximum antenna gain permitted for devices in the bands 5250-5350 MHz and 5470-5725 MHz shall comply with the e.i.r.p. limit; and

- The maximum antenna gain permitted for devices in the band 5725-5825 MHz shall comply with the e.i.r.p. limits specified for point-to-point and non point-topoint operation as appropriate.
- 4. Users should also be advised that high-power radars are allocated as primary users (i.e. priority users) of the bands 5250-5350 MHz and 5650-5850 MHz and that these radars could cause interference and/or damage to LE-LAN devices.

Avertissement

Le guide d'utilisation des dispositifs pour réseaux locaux doit inclure des instructions précises sur les restrictions susmentionnées, notamment:

- Les dispositifs fonctionnant dans la bande 5150-5250 MHz sont réservés uniquement pour une utilisation à l'intérieur afin de réduire les risques de brouillage préjudiciable aux systèmes de satellites mobiles utilisant les mêmes capaux:
- 2. Le gain maximal d'antenne permis pour les dispositifs utilisant les bandes 5250-5350 MHz et 5470-5725 MHz doit se conformer à la limite de p.i.r.e.:
- 3. Le gain maximal d'antenne permis (pour les dispositifs utilisant la bande 5725-5825 MHz) doit se conformer à la limite de p.i.re. spécifiée pour l'exploitation point à point et non point à point, selon le cas.
- 4. De plus, les utilisateurs devraient aussi être avisés que les utilisateurs de radars de haute puissance sont désignés utilisateurs principaux (c.-à-d., qu'ils ont la priorité) pour les bandes 5250-5350 MHz et 5650-5850 MHz et que ces radars pourraient causer du brouillage et/ou des dommages aux dispositifs LAN-EL.

THE FOLLOWING WARRANTY TERMS WERE IN EFFECT AS OF THE DATE YOUR DEVICE WAS MANUFACTURED, AND ARE PROVIDED FOR YOUR REFERENCE ONLY. THE ACTUAL TERMS OF YOUR WARRANTY ARE THE FULL TERMS THAT WERE IN EFFECT AS OF THE DATE OF YOUR PURCHASE, WHICH MAY BE DIFFERENT THAN THE TERMS SET FORTH HEREIN. TO FIND THE EXACT, FULL TERMS OF YOUR WARRANTY, PLEASE GO TO SAVANT.COM/WARRANTY AND REVIEW THE TERMS APPLICABLE AS OF THE DATE OF YOUR PURCHASE.

Savant Systems, LLC ("Savant"), Two-Year Limited Warranty Summary

Savant warrants the included hardware product and accessories against defects in materials and workmanship for two (2) years from the date of original retail purchase. Savant does not warrant (i) against normal wear and tear, (ii) against damage caused by accident or abuse, (iii) consumable or expendable items (such as light bulbs, fuses, etc.), (iv) items that have had the serial number removed or altered in any manner. This warranty does not cover the installation, removal, or reinstallation of any product or accessory. To obtain service call Savant at 1-855-5SAVANT (1-855-572-8268), or visit the Savant website at www.savant.com/support. Call charges and international shipping charges may apply depending on location. The limited warranty described herein is subject to the full terms, and detailed information on obtaining service. available at www.savant.com/warranty and www.savant.com/support. If you submit a valid claim through this warranty, Savant will either repair, replace, or refund your product at its own discretion. Warranty benefits are in addition to rights provided under local consumer laws. You may be required to furnish proof of purchase details when making a claim under this warranty.

Customer Service

Should you have any technical questions, require troubleshooting assistance, or need warranty-related help, please call Customer Service, toll-free, at 1-855-5SA/ANT (1-855-572-8268).
