## OUTSIDE BACK

3" x 3"

## OUTSIDE COVER

3" x 3"

The Outside Back and Outside Cover art is a 3" x 3" square divided into two panels. The left panel features the C by GE logo, contact information for tech support (CbyGE.com, help@cbyge.com, 1-844-302-2943), and a warning about antenna placement. The right panel features a large C by GE logo and the text 'set up + connect'.

## INSIDE PAGE 1

3" x 3"

## INSIDE PAGE 2

3" x 3"

The Inside Page 1 and Inside Page 2 art is a 3" x 3" square divided into two panels. The left panel features the C by GE logo and the text 'Connect your C by GE light bulbs to other smart home devices and enable voice control with the C-Reach smart bridge.' The right panel features a list of six steps for setting up the C by GE app.

Follow these steps to set up new or in-use C by GE light bulbs and devices.

1. Plug in the C-Reach smart bridge.
2. Download the C by GE app for iOS or Android™.
3. Once downloaded, open the C by GE app and create an account.
4. Navigate to the Home screen. In the upper right corner click on the 3 dots.
5. From the drop down menu select Add New Device.
6. Select C-Reach and the app walks you through the rest of the set up, including connecting to voice assistants.
