

# POWER SOUNDBAR™

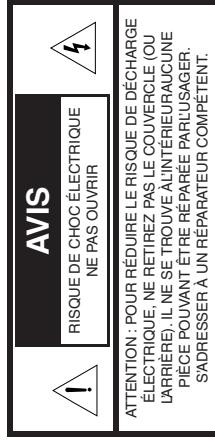

Subwoofered SoundBar By Scopite®

# Safety Information

## Please read this user's manual

Please take the time to follow the instructions in this user's manual carefully. It will help you to properly use your new Sceptre® product and enjoy its features. Please save this user's manual for future references.

The lightning flash with arrowhead symbol within an equilateral triangle alerts the user to the presence of uninsulated, dangerous voltage within the system enclosure that may be of sufficient magnitude to constitute a risk of electric shock.

The exclamation point within an equilateral triangle alerts the user to the presence of important operating and maintenance instructions in this user's guide.

## Safety Information

### WARNINGS and CAUTIONS

- To reduce the risk of fire or electric shock, do not expose this product to rain or moisture. The product shall not be exposed to dripping or splashing, and objects filled with liquids, such as vases, shall not be placed on or near the product. As with any electronic products, use care not to spill liquids into any part of the product. Liquids can cause a failure and/or a fire hazard.
- The power supply must be used indoors only. It is neither designed nor tested for use outdoors, in recreation vehicles, or on boats.
- Make no modifications to the product or accessories. Unauthorized alterations may compromise safety, regulatory compliance, and system performance, and may void the warranty.
- Where the main plug or appliance coupler

is used as the disconnect device, such disconnect device shall remain readily operable.

- Do not place any naked flame sources, such as lighted candles, on or near the apparatus.
- Keep batteries out of the reach of children and pets.
- Long-term exposure to loud music may cause hearing damage. It is best to avoid extreme volume when listening to audio for extended periods.

To return a system battery for recycling, contact Sceptre or your Sceptre dealer. In the United States call 1-800-788-2878 or visit the Sceptre® website at [www.SCEPTRE.com](http://www.SCEPTRE.com).

## Safety Information

---

Please dispose of a used or damaged battery promptly and properly, following all local regulations.  
Do not incinerate.

Dispose unwanted electronics and batteries through an approved recycler.

## Safety Information

### Important Safety Instructions

1. Read these instructions – for all components before using this product.
2. Keep these instructions – for future reference.
3. Heed all warnings – on the product and in the user's guide.
4. Follow all instructions.
5. Do not use this apparatus near water or moisture
  - Do not use this product near a bathtub, washbowl, kitchen sink, laundry tub, in a wet basement, near a swimming pool, or anywhere else that water is present.
6. Clean only with a dry cloth – and as directed by Scspire Inc. Unplug this product from the wall outlet before cleaning.
7. Do not block any ventilation openings. Install in accordance with the manufacturer's instructions – To ensure reliable operation of the product and to protect it from overheating, put the product in a position and location that will not interfere with its proper ventilation. For example, do not place the product on a bed, sofa, or similar surface that may block the ventilation openings. Do not put it in a built-in system, such as a bookcase or a cabinet that may keep air from flowing through its ventilation openings.
8. Do not install near any heat sources, such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat.
9. Only use attachments / accessories specified by the manufacturer.
10. Protect the power cord from being walked on or pinched, particularly at plugs, convenience receptacles, and the point where they exit from the apparatus.
11. Unplug this apparatus during lightning storms or when unused for long periods of time – to prevent damage to this product.
12. To prevent risk of fire or electric shock, avoid overloading wall outlets, extension cords, or integral convenience receptacles.
13. Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, such as USB cord is damaged; liquid has been spilled or objects have fallen into the apparatus; the apparatus has been exposed to rain or moisture, do not operate normally, or has been dropped – Do not attempt to service this product yourself. Opening the enclosure may expose you to dangerous voltages or other hazards. Please call SCEPTEC for service.
14. DO not let objects or liquids enter the product – as they may touch dangerous voltage points or short-out parts that could result in a fire or electric shock.

## Safety Information

- 15. See product enclosure for safety-related markings.
- 16. Use proper power sources – Plug the product into a proper power source, as described in the operating instructions or as marked on the product.

and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However this is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, you are encouraged to try to correct the interference by one or more of the following measures:  
Re-orient or relocate receiving antenna.  
Increase the separation between the equipment and receiver.

Connect the equipment to an outlet on a different circuit than the one to which the receiver is connected.  
Consult the dealer or an experienced radio/TV technician for help.

Any changes to this device not expressly approved by Sceptre Inc may void the user's authority to operate this device.

# Introduction

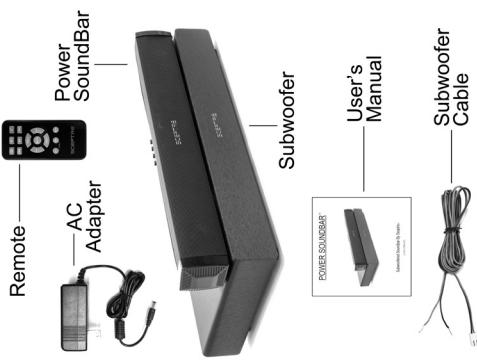

## Overview

Thanks for purchasing Sceptre's speaker bar, Power SoundBar™. You can now enjoy music or news not only from your TV but also wirelessly from your Bluetooth® enabled smartphone, tablet, or laptop.

## Features

- Provide better quality audio and enhanced bass (via the subwoofer) while watching TV or movies.
- Wireless Bluetooth® link eliminates the need to dock or physically connect your electronic device.

Please save the carton and packing materials in case they are needed to ship the product. If any part of the product appears to be damaged, do not attempt to use it. Contact your authorized Sceptre retailer immediately or call Sceptre Customer Service at 1-800-788-2878. Refer to the Warranty page in this manual for more contact options and information.

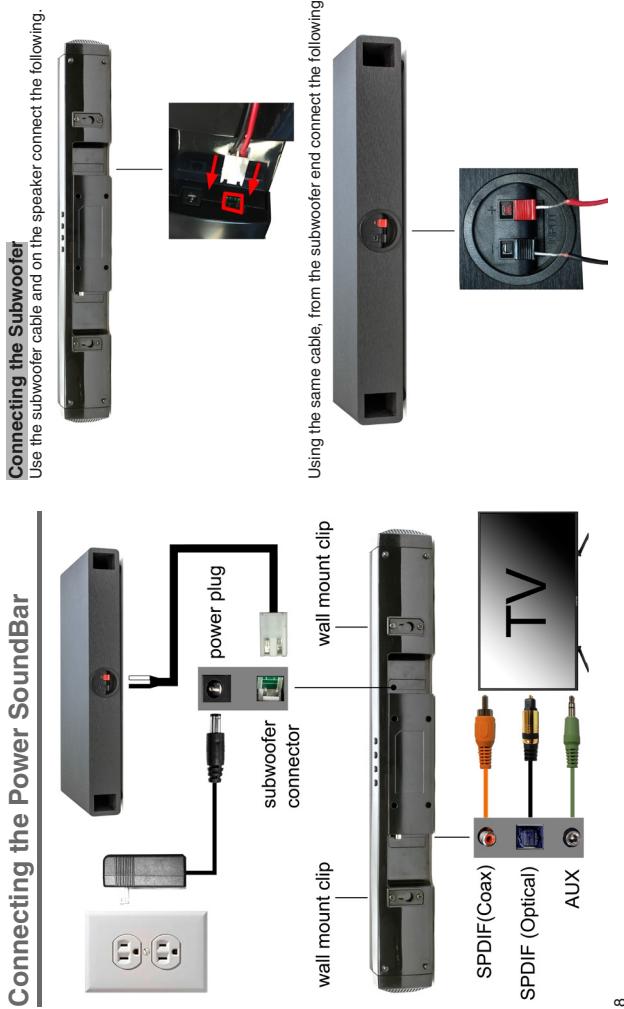

## Package Contents

This carton should contain the following items:

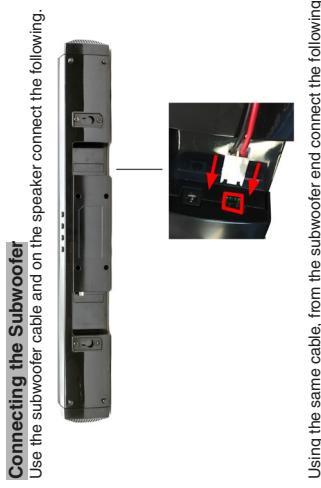

- Power SoundBar x 1
- Subwoofer x 1
- Subwoofer Cable x 1
- Power Soundbar Remote x 1
- AC Adapter x 1
- User's Manual x 1

# Operation

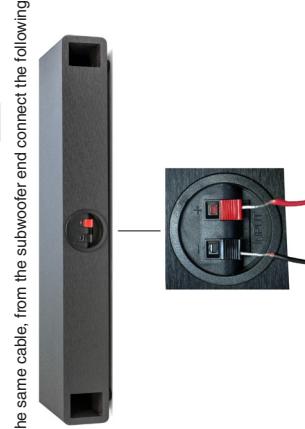

## Connecting the Power SoundBar

## Connecting the Subwoofer

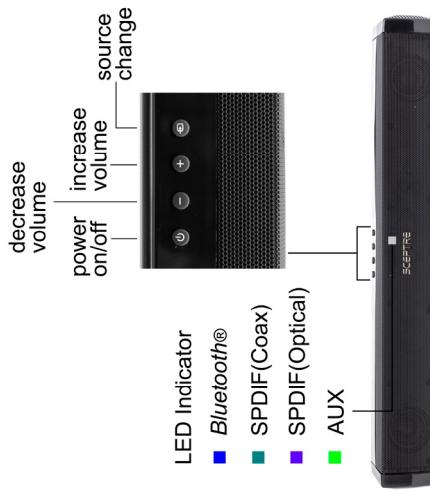

Use the subwoofer cable and on the speaker connect the following.

## Operation

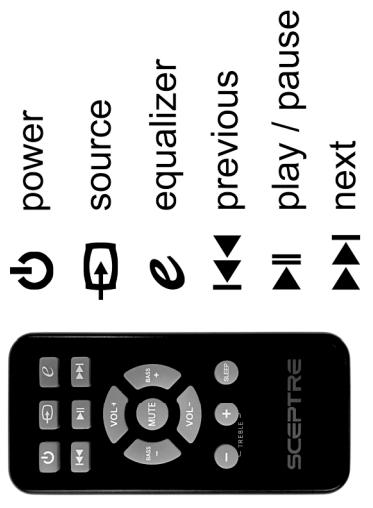

### LED Indicator Light & Buttons

The Power SoundBar's LED status indicators are located inside the speaker grill. They illuminate to indicate power and other functions. There are also functions buttons built on top of the speaker.

### Remote Control

The following describes the remote control's functions.

1. POWER - This button turns the speaker on or off.
2. SOURCE - This button changes the input of the speaker between *Bluetooth*, SPDIF(Coax), SPDIF(Optical), and AUX (3.5mm headphone jack).
3. EQUALIZER - This button cycles through different preset equalizer settings for the speaker.

## **Operation**

4. PREVIOUS - This button switches to the previous song, when the speaker is playing a song through Bluetooth connection.
5. PLAY/PAUSE - This button plays or pauses a song when the speaker is connected to your device through Bluetooth connection.
6. NEXT - This button switches to the next song, when the speaker is playing a song through Bluetooth connection.
7. VOL(+)/VOL(-) - These buttons increases (+) or decreases (-) the volume of the speaker.
8. BASS(+)/BASS(-) - These buttons increases (+) or decreases (-) the bass response of the speaker.
9. MUTE - This button silences the speaker.
10. TREBLE(+)/(-) - These buttons increases (+) or decreases (-) the treble response of the speaker.
11. SLEEP - This button turns the speaker off after 60 minutes.

### **Pairing with Bluetooth® Devices**

Pairing occurs when two Bluetooth® devices communicate with each other and establish a connection. A record of information about this connection is then stored in the memory of each device. Once you pair a device with the Power SoundBar speaker you should not have to pair it again.

#### **To begin pairing with a Bluetooth® device**

1. Press  to turn on the speaker. You will see the LED flash blue. If not press the  button repeatedly until you see the LED flash blue.
2. Set your Bluetooth device (cell phone or tablet or computer) to scan or discover "SPT BT Sound Bar" speaker, then locate the *Bluetooth* list.
3. From the list, select the device named SPT BT Sound Bar.
4. Your Bluetooth device will indicate when the pairing is complete.
5. **If you have previously paired with another device,** first press and hold  in order to remove the currently device in memory, then repeat steps 1-4.

## Operation and Maintenance

### Connecting to a TV

Take a look at the back of your TV to see which type of audio output it has.

LED Indicator

■ Bluetooth®

■ SPDIF(Coax)

■ SPDIF(Optical)

■ AUX

4. For **Bluetooth** press the button until you see the LED show a blue color.
5. For **SPDIF (Coax)** press the button until you see the LED show a teal color.
6. For **SPDIF (Optical)** press the button until you see the LED show a purple color.
7. For **AUX** press the button until you see the LED show a green color.

### Cleaning the Speaker

#### Important

- Make sure the speaker is not plugged into the AC adapter.
- Do not use volatile solvent such as ethanol, rosin, roluene solvent to clean the speaker.

#### Cleaning

1. Obtain the compatible audio cable based on looking at the back of your TV. Connect one end to the TV and the other end to the back of the Power SoundBar. Please reference Page 8 to see which source to switch to.
  2. Turn on your TV and Press on the speaker remote to turn on the speaker.
  3. If the LED is flashing blue, the speaker is under pairing mode. Press to switch to your appropriate input.
- Use a 100% cotton cloth or micro-fiber cloth to wipe the speaker.

# Maintenance

## Frequently Asked Questions

Q: What do I do if the speaker does not turn on?

A: Most likely you did not plug in the AC adapter. Please make sure that is plugged in.

Q: What do I do if the Bluetooth® device is not connecting?

- A: Please try the following methods by themselves.
1. If the device is asking for a passkey use '0000'.
  2. Turn the speaker on and off.
  3. Turn the Bluetooth® on and off from your device.
  4. Try removing the speaker from the Bluetooth® pairing list and retry the connection instructions.

Q: What do I do if the speaker is not playing music but it is properly paired or connected?

- A: Please try the following methods by themselves.
1. Power on and off the speaker.
  2. Check your cabling if you are not using Bluetooth®.
  3. Check if you muted the speaker or your music source.
  4. Make sure you have the correct source (Bluetooth® or AUX)

Q: What do I do if there is poor sound quality from the speaker?

A: Please try the following methods by themselves.

1. Make sure your Bluetooth® device is not too far from

- the speaker.  
2. Make sure your audio cable is not damaged and fully plugged in.

## Call Us If You Need Help

Products are often returned due to a technical problem rather than a defective product that may result in unnecessary shipping charges billed to you. Our trained support personnel can often resolve the problem over the phone or email. For more information on warranty services or repairs after the warranty period, please contact our support department at the number below.

For technical help, contact our Sceptre Technical Support Group via live webchat, email, or phone. Please have your Sceptre p/n number, serial number, and date of purchase available before you call.

# **WARRANTY**

Please read this warranty card carefully, it is a "ONE-YEAR LIMITED WARRANTY" on parts and labor (90 days for commercial use) and is only valid when purchased from an Authorized Reseller, only on new and non-refurbished product, and available to customers in the Continental US, Alaska, Hawaii and Puerto Rico. See below for the SCEPTRE Extended Service warranty.

**SCEPTRE's Responsibility:**  
SCEPTRE units purchased from an authorized SCEPTRE U.S. Reseller in the United States and that are used in the fifty (50) United States or Puerto Rico and Canada are warranted to be free from manufacturing defects in materials and workmanship for a period of one (1) year from the date of their original retail purchase (or a period of ninety (90) days for commercial use). If the unit fails to conform to this warranty, we will service the units using new or refurbished parts. In the event that the part required for replacement is no longer in production and/or is obsolete, SCEPTRE will repair or replace the unit with similar or like parts of equal value. If a similar or like part is not available, a charge may be incurred to the owner, for any upgraded parts substituted.

## **Service Labor**

During a period of one (1) year from the effective warranty date (or a period of ninety (90) days for commercial use), SCEPTRE will provide, when needed, service labor to repair a manufacturing defect at its designated Service Center. To obtain warranty service in the United States, you must first call our Customer Support at (800) 788-2878. The determination of service will be made by SCEPTRE Customer Support. PLEASE DO NOT RETURN YOUR UNIT TO SCEPTRE WITHOUT PRIOR AUTHORIZATION.

## **Parts**

New or remanufactured parts will be used for repairs by SCEPTRE at its designated Service Center for one (1) year (or ninety (90) days for commercial use) from the effective warranty date. Such replacement parts are warranted for the remaining portion of the original warranty period.

## **Service**

During the one (1) year (or ninety (90) days for commercial use) warranty period, SCEPTRE will, at its option and sole discretion, repair or replace defective parts, including replacement of the entire Panel. The Customer will be required to ship the unit to the Service Center indicated at the time Customer Support is contacted to make the necessary repairs, you are responsible for all transportation charges to the service facility. SCEPTRE is not responsible for the de-installation or re-installation of the unit.

## **Packaging and Shipping Instruction**

When you send the product to an authorized SCEPTRE service facility you must use the original carton box and packing material or an equivalent as designated by SCEPTRE. If you no longer have them please contact Sceptre's Customer Support.

## **Not Covered**

This warranty does not cover the following: cosmetic defects; damage, malfunctions, or failures resulting from shipping or transit accidents, abuse, misuse, operation contrary to furnished instructions, operation on incorrect power supplies, operation with faulty associated equipment, modification, alteration, improper servicing, tampering and/or, damage from fire, water, lightning, power surges, abnormal environmental conditions, or other acts of nature, normal

## **WARRANTY**

wear and tear (SCEPTRE reserves the right to determine "wear and tear" on any and all products); unsatisfactory audio performance not caused by a manufacturing defect; or Sound Bars on which the serial number has been removed or defaced. Mishandling are not covered by this warranty. Installation, removal, transportation and reinstallation of a speaker and routine maintenance and cleaning, are not covered by this warranty. Any hardware, components, and/or software bundled with the Sound Bar are not covered by this warranty. Any damages caused directly or indirectly by Buyer's or Reseller's "Value Added Feature" are not covered by this warranty or Scopre, Inc. Any damages of any kind including, but not limited to, direct or indirect damages, lost profits, lost savings, or other special, incidental, exemplary or consequential damages whether for breach of contract, tort, or otherwise, or whether arising out of the use of or inability to use the product, even if SCEPTRE, INC. or any dealer, distributor or authorized service provider/partner has been advised of the possibility of such damages, or any claim by any other warranty are not covered by this warranty or Scopre Inc.

ANY IMPLIED WARRANTIES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE SHALL BE LIMITED IN DURATION TO THE PERIOD OF TIME SET FORTH ABOVE. OUR LIABILITY FOR ANY AND ALL LOSSES AND DAMAGES RESULTING FROM ANY CAUSE WHATSOEVER, INCLUDING OUR NEGLIGENCE, ALLEGED DAMAGE OR DEFECTIVE GOODS, WHETHER SUCH DEFECTS ARE DISCOVERABLE OR LATENT, SHALL IN NO EVENT EXCEED THE PURCHASE PRICE OF THE SPEAKER. WE SHALL NOT BE RESPONSIBLE FOR LOSS OF USE, COMMERCIAL LOSS OR OTHER INCIDENTAL OR CONSEQUENTIAL DAMAGES. SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS OR THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATIONS OR EXCLUSIONS MAY NOT APPLY TO YOU. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. This is the only warranty applicable, no one is authorized to extend or modify it or to grant any other warranty. SCEPTRE retains the right to assess all warranty claims and to determine whether SCEPTRE should repair the damage, in case of a claim that is not covered by the warranty, you will be contacted to determine whether SCEPTRE should repair the damage, for a fee or whether the product should be returned to you as received by the repair center.

### **Owner's Responsibility**

#### **Effective Warranty Date**

Warranty begins on the date of sale to the end user. To ensure warranty service, keep the dated bill or sale receipt as evidence of the purchase date. If you can no longer obtain your receipt, the warranty will revert to the unit's manufacture date according to the serial number of the unit. This limited warranty applies only to the original purchaser and is non-transferable.

### **Warranty Service**

For warranty service information, contact SCEPTRE Technical Support at email address [Sceptre@SCEPTRE.com](mailto:Sceptre@SCEPTRE.com), via phone at (800) 788-2878, or via World Wide Web chatting service at [www.Sceptre.com](http://www.Sceptre.com). SCEPTRE Technical Support is available Monday to Friday 8:30 AM to 5:30 PM Pacific Time. Parts and service labor that are a SCEPTRE's responsibility (see above) will be provided without charge. Other services or services not covered by the warranty are at the owner's expense. You must provide the model, serial number and date of purchase. Before you ask for warranty service, read your User Manual. You might avoid a service call. Warranty conditions are subject to change, for latest Warranty Terms and Conditions and additional information regarding your warranty, please see complete details online at [www.SCEPTRE.com](http://www.SCEPTRE.com).
