SHARP®

XE-A207

The XE-A207 cash register with its unique menu-based control system is the ideal solution for businesses that want the latest features along with fast, quiet thermal receipt printing. The cash register features a best-in-class eight-line display with a one-line customer displays, 2500 price look-ups (PLUs), and four programmable tax rates. In order to simplify programming, the XE-A207 includes a PC-link software utility for easy programming of all PLUs, departments, and clerk numbers via SD card. Customizing your receipts has even gotten easier using the Sharp exclusive graphic generator to add images and logos to customer receipts!

KEY FEATURES

- 3.7" LCD for 5-line operator / 8- line maintenance operations

- 2,500 PLU's, 99 Depts and 25 Clerks

- Menu based maintenance, easy to learn and use

- Spanish and English menu's

- SD card slot for register backup and sales capture

- QuickBooks® Pro® export with PC-Link software

- Electronic journal for activity history

- Credit card terminal links directly to cash register

Ideal for: Fast Food, Convenience, Retail
