Windows Quick Start Guide

XP, Vista and Windows 7:

- Plug Picture Keeper into any USB port (works best with USB 2.0)
- AutoPlay window appears, click **'Open Folder to View Files'** (See Figure 1).
- Double-click the **'launchpicturekeeper.exe'** file to start software.

Figure 1

*Note: If the AutoPlay menu does not appear, then click the **'Windows Start Button'**. From that menu click the **'(My Computer)'** selection. (You will see the Picture Keeper drive (E:,F:) displayed in the devices with removable storage). Double-click **'launchpicturekeeper.exe'** file to start the Picture Keeper software.*

- Picture Keeper's main screen will appear. Click **'Start Backup'**.

Mac Quick Start Guide

- Plug Picture Keeper into any USB port. Double-click the icon (typically) on the right side of your screen labeled as **PK** to open it.
- When the Finder window opens, double-click the **'PictureKeeperForMac.app'** file (with the PK icon next to it).
- Picture Keeper's main screen will appear. Click **'Start Backup'**.

Note: Ensure you empty your Trash prior to using Picture keeper.

Why isn't the Picture Keeper finding my iPhoto pictures?

Picture Keeper may not be finding your iPhoto library by default. Here are a few simple steps to add your iPhoto library to the default search.

- Start the Picture Keeper
- Click the green **'Options'** button. A new window will appear.
- Select the **'iPhoto Library'** in the left column if not highlighted. Then check what objects from the iPhoto library that you want backed up. Click "OK" to save settings and close window. Click **'Start Backup'**.

Download the wrong photos? Simply reset your device (Mac).

Start the Picture Keeper software. Click the Picture Keeper screen to make it your active program. In the top left corner near the Apple Logo, click the **'Options'** button and then select **'Reset Picture Keeper'**. The *Reset Picture Keeper function will only remove pictures from the Picture Keeper, NOT your computer.*

CAUTION: Please make sure you have another copy of your digital pictures (ie. on your Hard drive or elsewhere) prior to resetting your Picture Keeper.

Windows 8:

- Plug Picture Keeper into any USB port. From the Desktop Tile, click the File Explorer (Yellow Folder on the Task Bar). Under "Computer" click on the Picture Keeper drive (may be labeled as an E:, F:, or other drive). Then Double-click the **'launchpicturekeeper.exe'** file.

*Note: If "Choose what to do with removable drives appears"; Click to open. Then click **'Open folder to view files'** (See Figure 2). Double-click the **'launchpicturekeeper.exe'** file with the Picture Keeper logo.*

Figure 2

- Picture Keeper's main screen will appear. Click **'Start Backup'**.

Download the wrong photos? Simply reset your device (Windows). Start the Picture Keeper, then simply click the green **'Options'** button and then select **'Reset Picture Keeper'** from the drop down menu. Click **'Yes'** to start. The *Reset Picture Keeper function will only remove pictures from the Picture Keeper, NOT your computer.*

CAUTION: Please make sure you have another copy of your digital pictures (ie. on your Hard drive or elsewhere) prior to resetting your Picture Keeper.

Frequently Asked Questions

How do I view my pictures?

Click 'Manage Pictures' and then click 'View Pictures'.

What happens when the Picture Keeper drive is full?

You will need to purchase another Picture Keeper drive to save remaining pictures. Our new drives will continue the backup from where the previous one left off.

After the first backup, will Picture Keeper copy all of my pictures each time or only the recently added ones?

After the first backup Picture Keeper only copies the pictures that were added or changed since the last backup...and continue to skip the duplicates!

Will Picture Keeper save 4000, 8000, or 16000 pictures?

Please see chart located on the back for photo estimates based on photo file size. This chart shows the **Estimated** photo capacity estimate for each device. Each Picture Keeper's capacity is based on an average of 1 MB per photo.

Can Picture Keeper backup pictures from specific folders?

By default, Picture Keeper backs up the "Pictures", "Documents", "Desktop" and "Sample Pictures" folders. Here are steps to backup specific folders.

- Click the green **'Options'** button.
- Select **'Advance Options'** from the drop down menu.
- In the next window, click the 'Manage Search' Folders button.
- This displays the folders of your computer. By clicking the '+' signs you can open sub folders to see if there are pictures you may want to download. You can select or deselect folders by clicking the check box to the left of the folders.
- Main folders must be unchecked if you only want certain sub folders.

6. LIMITATION OF LIABILITY

In no event shall SITP or its suppliers be liable for any damages (including, without limitation, lost profits, business interruption, or lost information) rising out of Authorized Users' use of or inability to use the SOFTWARE PRODUCT, even if SITP has been advised of the possibility of such damages. In no event will SITP or its suppliers be liable for loss of data or for indirect, special, incidental, consequential (including lost profit), or other damages based in contract, tort or otherwise. SITP and its suppliers shall have no liability with respect to the content of the SOFTWARE PRODUCT or any part thereof, including but not limited to errors or omissions contained therein, libel, infringements of rights of publicity, privacy, trademark rights, business interruption, personal injury, loss of privacy, moral rights or the disclosure of confidential information.

Picture Keeper One (1) Year Limited Warranty

Simplified IT Products' warranty obligations for this hardware product are limited to the terms set forth below:

Simplified IT Products, LLC ("SITP") warrants this Picture Keeper against defects in materials and workmanship under normal use for a period of ONE (1) YEAR from the date of retail purchase by the original end-user purchaser ("Warranty Period"). If a hardware defect arises and a valid claim is received within the Warranty Period, at its option and to the extent permitted by law, SITP will either:

(1) repair the hardware defect at no charge, using new or refurbished replacement parts (2) exchange the product with a product that is new or which has been manufactured from new or serviceable used parts and is at least functionally equivalent to the original product, or (3) refund the purchase price of the product. SITP may request that you replace defective parts with new or refurbished user installable parts that SITP provides in fulfillment of its warranty obligation. A replacement product or part assumes the remaining warranty of the original product or ninety (90) days from the date of replacement or repair, whichever provides longer coverage for you. When a product or part is exchanged, any replacement item becomes your property and the replaced item becomes SITP's property. Parts provided by SITP in fulfillment of its warranty obligation must be used in products for which warranty service is claimed. When a refund is given, the product for which the refund is provided must be returned to SITP and becomes SITP's property

OBTAINING WARRANTY SERVICE - Please access and review the online help resources (FAQ) referred to in the documentation accompanying this hardware product before requesting warranty service. If the product is still not functioning properly after making use of these resources, please contact the SITP representatives via email at support@picturekeeper.com. You must assist in diagnosing issues with your product and follow SITP's warranty processes. SITP may restrict service to the fifty states of the United States of America and the District of Columbia and Canada, and provide warranty service by sending you new or refurbished customer-installable replacement product or parts to enable you to service or exchange your own product ("Service"). When providing service requiring the return of the original product, SITP may require a credit card authorization as security for the retail price of the replacement product or part and applicable shipping costs. If you follow instructions, SITP will cancel the credit card authorization, so you will not be charged for the product or part and shipping costs. If you fail to return the replaced product or part as instructed, SITP will charge the credit card for the amount authorized. Service options, parts availability and response times may vary. Service options are subject to change at any time. In accordance with applicable law, SITP may require that you furnish proof of purchase details and/or comply with registration requirements before receiving warranty service. SITP will maintain and use customer information in accordance with the SITP Customer Privacy Policy accessible at www.picturekeeper.com/support/privacy. Before you deliver your product for warranty service it is your responsibility to keep a separate backup copy of the contents. THE CONTENTS OF YOUR PRODUCT WILL BE DELETED AND THE STORAGE MEDIA REFORMATTED IN THE COURSE OF WARRANTY SERVICE. Your product will be returned to you configured as originally purchased, subject to applicable updates. Recovery and reinstallation of user data are not covered under this Limited Warranty.
