# IC certification:

IC: 20812-1152X

This Class B digital apparatus complies with Canadian ICES-003

This digital apparatus does not exceed the class B limits for radio-noise emission from digital apparatus as set out in the Radio Interference Regulations of the Canadian Department of Communications.

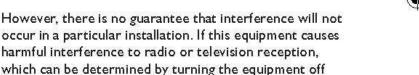

NOTICE: Changes or modifications made to this device not expressly approved by Philips Lighting North America Corporation (USA) and Philips Lighting Canada Ltd. (Canada) (collectively Philips) may void the U.S. FCC and Canadian authorization to operate this device.

NOTE: This equipment has been tested and found to comply with the limits for a CLASS B digital device, pursuant to Part 15 of the FCC rules. These Limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

and on, the user is encouraged to try to correct the interference by one or more of the following measures:

hue\_tap\_LegalManual\_NA\_Fin2.indd 5

24-04-14 12:27

- · Reorient or relocate the receiving antenna
- Increase the separation between the equipment and receiver
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected
- Consult the dealer or an experienced radio/TV technician for help

#### WARNINGS AND CAUTIONS:

- · The device is for indoor use only
- · Do not use the device in wet locations

## **OPERATING INSTRUCTIONS**

- The device is not a toy designed to be played with by children
- · Do not place the device on hot surfaces
- For safety reasons, do not open device, which will also void the warranty

6

#### LIMITED WARRANTY:

Philips warrants that this device will be free from defects in material and workmanship and will operate for 2 years when used as directed. If this device does not conform to the warranty, Philips will send you, at its election, a replacement device or refund your original purchase price upon receipt of the returned device, register receipt and proof of purchase. Please call our toll-free number 1-800-555-0050, write to Philips (address indicated on the packaging) or send an email at the website www.philips. com to find out how to return the device. This limited warranty does not cover devices subject to accident, neglect, abuse, misuse or acts of God. Replacement or refund is your sole remedy. Except to the extent prohibited by applicable law, any implied warranties are limited in duration to the duration of this warranty. Liability for incidental or consequential damages is hereby expressly excluded. Some

7
