CFD-E100

CD Radio Cassette Recorder

features

- ▲ **Revolutionary Design and Form Factor to Fit Most Places** Amazingly compact design with a much smaller footprint than traditional Boomboxes creating an exciting new look for portable entertainment. Design and color accents are perfect for any room in the house and it is small enough to fit just about anywhere.
- ▲ **Vertical Loading CD Mechanism** Unique design feature for loading a CD in a vertical rather than horizontal fashion. Easy to load and remove.
- ▲ **Boombox and TV Compatible Remote Commander® Remote Control** Compact remote control for use with both Boombox and TV. Perfect solution when using The CFD-E100 as your external audio source for your TV.
- **Digital AM/FM Stereo Tuner** provides the most accurate drift-free tuning of AM and FM radio stations and lets you choose from the wide variety of radio talk shows and music programs, with the added enjoyment of stereo sound.
- **CD Player with 1 Bit D/A Converter** uses advanced technology for more accurate playback and the most natural distortion-free CD sound.
- **CD-R/RW Playback Compatibility¹** Plays all CD-R/RW discs burned either in a PC or a home recording deck. Create custom mixes from your existing music collection and always have the right music at hand.
- **Mega Bass® (On/Off) Sound System** produces rich, deep, bass tones for more powerful overall sound.
- **CD Play Modes (Program/Shuffle/Repeat)** lets you hear tracks in sequence as recorded, in program RMS order or a single track over and over, or all tracks in random (Shuffle) order.
- **Synchronized CD/Cassette Dubbing** Starts cassette recording when compact disc playback begins.
- **Stereo Record/Playback Cassette Deck** provides direct recording from the AM/FM Stereo tuner or the CD player, and lets you play back your own cassettes in addition to pre-recorded tapes.
