CFD-S70BLK

Stereo CD/Cassette Boombox

Enjoy full-function, portable audio at home or on the go with the easy-to-use Sony CFD-S70 Stereo CD Boombox. With MEGA BASS® for extended bass response and your choice of CD, cassette, MP3 and FM/AM radio playback, this product lets you enjoy a wide range of music.

Features

Enjoy full-function stereo sound

Stereo speakers housed in a bass-reflex design deliver an enjoyable listening experience.

Playback CDs, CD-R/RW and MP3 CDs with shuffle and program functions²

Listen how you want with the ability to playback CDs, CD-R/RW and MP3 CDs.² Shuffle and program functions give you full control of how you listen to your tunes.

Built-in cassette tape deck with recording function

Playback your old mix tapes and record new ones with the built-in cassette deck.

FM/AM tuner with digital tuning and 30 station presets

The built in FM/AM tuner with 30 station presets makes it easy to listen to and save your favorite radio stations.

AC and battery power options with up to 19 hours of battery life¹

Enjoy your favorite on the go, for up to 19 hours¹ (6 size C, sold separately). For battery swaps that are a snap, the battery compartment quickly and easily clicks open and closed.

Plays well with others

An auxiliary audio input lets you connect select digital music players to the speaker dock for easy access to your music (cable not included).

MEGA BASS®

Bass boost circuitry enhances low-frequency bass performance at the touch of a button.
