

## MDR-XB1000

Extra Bass Headphones for music that moves you

Go Big for remarkable sound and unbelievable bass. The world's largest headphone drivers,<sup>1</sup> housed in a tightly sealed acoustic design with ultra-plush over-sized ear cushions let you hear all of the sound detail and feel all of the bass in your music.

### Powerful Bass

Specially designed 70 mm drivers housed in a tightly sealed acoustic design deliver remarkable ultra-low bass response.

### World's largest Drivers

70 mm driver units are the largest in the world,<sup>1</sup> allowing you to hear all of the detail and feel all of the bass in your music.

### King-size

Much like sinking into an over-stuffed chair, ultra-thick, pressure relieving foam creates extreme wearing comfort.

### Flat cord

The durable, 1.2 m flat cord has a smooth finish and reduces tangles, so you can get caught up in your music, not your cord.
