NW-E75

Network Walkman™ Digital Music Player

features

- **Ultra Compact Portable Design** fits comfortably into the palm of a hand or is easily carried in pocket or purse.
- **256MB¹ Built-In Memory** — embedded memory which provides up to 170 songs⁴ on the device.
- **Sony's Connect™ Music Download Store** offers access to one of the most extensive music libraries available online. It's easy to discover, find and purchase single tracks or entire albums. Choose from top hits, tracks from independent artists, and Connect exclusives.
- **1 AAA Battery Provides up to 70 Hours² Continuous Playback (ATRAC3 Audio Playback).**
- **Transfer Personal Downloaded Music and Recordings** between your CDs and your PC, creating your own music mixes for on-the-go enjoyment.
- **Connects to USB Port for High-Speed Data Transfer** After music mixes have been created in the jukebox, they are easily transferred at high speed to the device.
- **Plays Back in ATRAC3™ Audio Format, Supports Multiple Internet Audio Formats (MP3³, WMA³, WAV³)** The Network Walkman player plays back ATRAC3 and ATRAC3plus™ files and supports the most popular Internet Audio formats.
- **Music Management Software Supplied** Import, manage and easily transfer your digital music collections with the supplied music management software.
- **Backlit LCD Display with 4 Modes** depending on the mode chosen, display will feature track number, bit rate, elapsed time, song title, artist name, spectrum analyzer, play mode and bass/AVLS/battery life indicator.
- **Skip-Proof Design with No Moving Parts** for uninterrupted playback even while carrying the Network Walkman player during active uses.
- **Group/Folder Function** Allows for easy navigation between multiple file folders transferred from playlist.
