- Get the Most out of Blu-ray Disc™ format Movies, Concerts and Games
- Elegant Black Gloss Design
- Perfect complement to your Multi-Channel A/V Receiver
- 990 Watts Total Power

Key Technologies

Speakers configurable for 5.1 or 7.1 Surround Sound The key is the ability of the surround speakers to be connected together to make one larger speaker or one larger speaker into two smaller versions.

The SA-VS350H unique micro speakers and floor standing speakers provides flexible and convenient placement for an imperfect room.

Get the Most out of Blu-ray Disc Movies, Concerts and Games The SA-VS350H delivers up to 990 watts of total audio power and up to 50 kHz for the ultimate Blu-ray Disc experience.

Elegant Black Gloss Design The micro design provides flexible placement while its elegant black gloss design complements any room.

Perfect complement to your Multi-Channel A/V Receiver The SA-VS350H can easily be configured in either a 5.1 or 7.1 channel set up to maximize the audio performance of a multi-channel A/V Receiver.

990 Watts Total Power Each speaker has the capability to reproduce 120 watts (x 7) while the subwoofer generates 150 watts.

Gold Tipped Speaker Terminals Improved conductivity thus optimizing audio performance.
