

SONY

SRS-XB41/L

Portable Wireless BLUETOOTH® Speaker

Get the ultimate three-dimensional music festival experience wherever you go with the XB41 wireless speaker. Give your favorite songs EXTRA BASS™ and enhance the party with LIVE SOUND, Party Booster, and flashing lights that match the beat. The XB41 is made to party, featuring a new IP67 waterproof¹ design and up to 24-hour battery life.²

Features

Boost your party anthems with EXTRA BASS™

Enhance every beat and give your party that extra boost thanks to EXTRA BASS™.

How LIVE SOUND mode works

Hit the LIVE SOUND button and hear your music in a whole new way. The speakers of the XB41 are carefully designed to give you a real three-dimensional listening experience. Angled speakers with new DSP technology send your music to a wider area, creating a festival vibe, wherever you are.

Totally waterproof and washable

With an IP67 rating, your speaker can be immersed in water. Thanks to the high quality fabric made exclusively in Japan, there'll be no problem cleaning it.¹

Totally dustproof

With an IP67 rating, you can take your speaker to the trail, the forest, the city, or wherever you like - the XB41 will keep on playing, no matter how dusty the surface.

Totally rustproof

The XB41 is rustproof, so it won't be subject to the elements - even salty air and water from the ocean.

Line Lights Wrap Around the Speaker

There's no fun at a party without party lights. The XB41's new line lights go around the speaker to create just the right atmosphere.

Speaker Light

Amplify your party with with a speaker light that syncs to the beat of your music.

Flashing Strobe

The XB41's flashing strobe adds the ultimate party vibes to your music.

Lasts all day long

Up to 24 hour battery means the XB41 can party even longer than you can.²

Wireless Party Chain

Let everyone enjoy the same song with Wireless Party Chain.³ Connect up to 100 wireless speakers with BLUETOOTH® technology and the music and lights sync-up so everyone dances to the same beat.⁴

Give your party the extra boost with Party Booster

Featuring a built-in grip that makes it easier to hold, you can tap your speaker in different places to make different sounds - like a scratch, snare, kick drum and cowbell. Control the volume with a change in force; tap gently for a soft sound or give it a good hit for a loud output.

Wireless with BLUETOOTH® technology and NFC™

BLUETOOTH® streaming with NFC™ connectivity makes it simple to stream your party playlist.⁴

Be your own DJ with the Fiestable app

Download the Fiestable app to control lighting and add DJ effects - all with just a few taps on the app.⁶

Control the party with Sony | Music Center app

Control the party from the dancefloor, with the Sony | Music Center app⁵ - select your favorite playlists, cue the next song, or change lighting patterns and sound modes.

Dual 58mm speaker units

58mm speaker means the powerful sound and deep bass of your music shines through at even the highest volumes.

SONY

Mica reinforced speaker and large displacement edge

Made with Mica Reinforced Cellular (MRC), a rigid, lightweight speaker cone and a large displacement edge, you don't have to worry about losing sound quality. Both work effortlessly to control the sound and boost its driving power.

USB charging port

Smartphone running low on power? Plug into the USB port on the side of the XB41 to charge up the battery.

Easy button control

No need to rely on a device to change the volume or skip tracks. Do everything you need with just the buttons on your speaker.
