Digital Imaging Accessories Batteries, Chargers, Cases, and More

like.no.other™

DSC-T77/T700

**RECOMMENDED**

### Rechargeable Battery Pack

NP-FD1 \$49.99

There's no need to feel powerless again when you've got an extra Sony® InfolITHIUM® battery pack. It communicates directly with your Cyber-shot® camera to show you exactly how many minutes of shooting time you have left. Tech. specs. 2.4 Wh (680 mAh).

**RECOMMENDED**

### Compact Quick Charger

BC-TR1 \$59.99

About the size of a mobile phone, this super-compact charger with its retractable plug can charge a spare NP-FD1 battery while you keep shooting. AC 100-240V (50/60 Hz). Charges approximately two times faster than supplied battery charger.

LITHIUM ION

### AC Power Adaptor

AC-LS5K\* \$39.99

Provides your camera with an uninterrupted power supply when transferring images to your PC. No charging capability. AC 100-240V (50/60 Hz).

\*Requires VMC-MD1 multi-use terminal cable (sold separately).

### Multi-use Terminal Cable

VMC-MD1 \$39.99

Connects your Cyber-shot camera to most other compatible electronics. Includes A/V, USB, and DC-in connections.

**RECOMMENDED**

### Marine Pack

MPK-THG \$229.99 (available October 2008)

Working with your Cyber-shot® camera's Underwater Mode to optimize photo exposures, the Sony® Marine Pack lets you take stunning underwater shots up to 132 feet below the surface.

### O-Ring Kit

ACC-MP101 \$19.99

Over time, sun and water can weaken the rubber gasket on your Sony Marine Pack. Keep things watertight by stocking up on extra O-rings and sealing grease.

### Marine Pack Accessories

#### Underwater Video Light

HVL-ML20M \$349.99

Brighten up the murky depths with this waterproof light that fits the Sony Marine Pack. Requires the VCT-MP1K Marine Pack Arm, plus NP-QM71D or NP-QM91D InfolITHIUM® rechargeable M Series batteries with charger (all sold separately).

### Arm Kit

VCT-MP1K \$199.99

Specially designed arm required for mounting the HVL-ML20M Marine Light to the Sony Marine Pack.

### Waterproof Case

APK-THA \$69.99 (available October 2008)

Protect your new Cyber-shot camera from watery mishaps with the snug-fit Sony waterproof case. This waterproof case even lets you shoot underwater photos at depths up to 5 feet. Handstrap included.

# Battery/Chargers/Water Housing

Why risk having your camera battery go dead? Take along a spare Sony® rechargeable battery pack and travel-sized charger instead. Things getting a bit wet and wild? Keep your gear dry at the beach, pool, or ski slope—and even take underwater shots—with a water-resistant Sony Marine Pack or Waterproof Case.

**Cyber-shot Station® Dock for HDTV**

CSS-HD2 \$79.99

See your photos in razor-sharp high definition with the Cyber-shot Station dock for HDTV. Offering both HD and standard TV outlets, this versatile performer includes a remote control for convenient operation. Plus it charges your Cyber-shot® camera about 30% faster than your camera's supplied charger. The new integrated AV/component output terminal means it now requires just one cable to put on an HD slideshow with music.

**HD Output Adaptor Cable**

VMC-MHC1 \$39.99

Connects your Cyber-shot camera to your compatible HD television for viewing of your photos in high definition. 4.9 feet (1.5m) length.

**GPS Unit**

GPS-CS1KASP \$149.99

If you take a lot of pictures you know how difficult it can be to remember where and when you took each shot. Now you've got help with the Sony® GPS-CS1KASP GPS Unit. Utilizing satellite technology, this handy device records the exact location and date of every video and photo you take. Simply upload your movies and pictures to your PC\* to view their exact position on a handy online world map.\*\* Plus the newly updated Picture Motion Browser software now lets you trace your travel routes and even e-mail your maps to others. Includes an attachment kit with arm strap and bicycle mounting bracket.

Maps and satellite images powered by Google Maps.

\*You need to install Picture Motion Browser supplied with your Cyber-shot® camera to your computer.

\*\*The online map service is currently provided courtesy of Google, and is subject to change or termination without notice. Internet connection required.

**Ring Light**

HVL-RLS \$99.99

Capture impeccably lit macro shots every time with the Sony® Ring Light. Designed for use in extreme close-up photography, this specialized accessory utilizes bright white LED lighting for absolutely true color reproduction. Includes 2 modes of lighting level.

**COMPARISON**

With Built-In Flash

With HVL-RLS Ring Light

Simulated images for illustrative purposes.

**Lightweight Tripod**

VCT-1500L \$129.99

Great for travel, this compact aluminum tripod lets you take timed exposures, self-portraits or close-ups from as low as 7 1/8" above the ground.

**Travel Tripod**

VCT-R100 \$34.99

Steady your shots with the lightweight Sony travel tripod. Extends up to a generous 39 3/8" for taking pictures, then folds down to a compact 14" for travel. Carrying case included.

**Travel Kit**

VCT-MTK \$19.99

Perfectly sized to take along on your next trip, this durable tripod extends to a generous 7 1/8" and comes with its own carrying pouch and cleaning cloth.

**Cyber-shot Station® Dock/HD Cable/GPS Unit/ Light/Tripods**

Put on a high-definition slideshow they'll never forget with the Cyber-shot Station™ dock, Sony's all-in-one charging and docking solution. To pinpoint the exact location worldwide of every shot you snap, take along the Sony® GPS Unit.

RECOMMENDED

Soft Carrying Case

LCS-THP/B, /P, /T, /R (4 colors) \$39.99 (available September 2008)

A color to match every taste and outfit! These clutch-style cases are constructed of high-grade leather for a luxurious look and feel. Choose from black, pink, brown, or red. Matching strap included.

Leather Cover

LCJ-THD/B, /W, /P (3 colors) \$39.99 (available September 2008)

Protect your Cyber-shot® camera from scratches and dust—while also enjoying quick access to its touch panel—with this innovative flip-up leather cover.

Available in three colors with contrasting accent stripes, the cover also holds a handy stylus pen (included) within easy reach.

Color Cases

Available in a wide selection of colors and designs, Sony's eye-catching cases offer an extra measure of protection for your Cyber-shot® digital camera.

RECOMMENDED

Soft Leather Carrying Case

LCS-THM/B, /W, /RI (3 colors) \$39.99

Heads will certainly turn when you pull out this sleek, flip-top Cyber-shot camera case. Constructed of super-soft leather, the case features brushed-metal accents for an extra measure of glamour. Available in sophisticated black, cool white, or glossy red.

Soft Carrying Case

LCS-THK/B, /R (2 colors) \$39.99

Always keep your camera handy. This clutch-style case comes with a handy neck strap so it's never far from reach. Fashioned of high-grade leather with accent stitching. Available in black or red.

Semi-soft Carrying Case

LCM-THB/B \$34.99 (available September 2008)

Get the best of both worlds. This case is soft on its sides for comfortable grasping, and hard on its edges for added protection. Plus the double-zipper design makes it easy to get to your camera.

Leather/Fabric Carrying Case

LCS-TWF/B, /P, /T, /R (4 colors) \$29.99

Give in to your split personality. Fashioned of half canvas and half leather, these tone-on-tone carrying cases come in your choice of four exciting colors: black, pink, brown, or red. A handy belt loop leaves your hands free for taking pictures.

Soft Carrying Case

LCS-TWE/B, /L, /P, /PJ, /G, /W (6 colors) \$19.99

This sporty, snug-fit case features a handy carabiner that can be clipped quickly onto a backpack, belt loop, or other location. Available in six designer colors to match with your specific camera.

Reversible Camera Pouch

LCS-CSK/B (2 pcs/set) \$14.99 • LCS-CSK/P (2 pcs/set) \$14.99

Carry your camera in style with these reversible, faux-suede drawstring pouches. Designed to provide your gear with an extra layer of defense against dust and dirt while in your backpack, purse or carrying case, each set includes two pouches.

**Soft Leather Carrying Case**

LCS-TWB/B, /G, /H, /P (4 colors) \$39.99

Sophisticated yet sassy. This genuine leather camera bag really stands out with its stylish ring design and easy-open magnetic closure. Choose from four funky colors: black, green, dark grey, or pink.

Hand STRAP
