

Getting Started

System front

System rear

DUALSHOCK®3 wireless controller

Connection and Setup

- 1 Connect your PS3™ system to a TV.
For high definition output, connect the TV and the PS3™ system using an HDMI™ cable (sold separately).
- 2 Turn on the TV and then select the appropriate input.
- 3 Press the power button to turn on the PS3™ system.
If video is not displayed, turn off the PS3™ system, and then turn it on again by pressing the power button for at least five seconds (until the system beeps a second time).
- 4 Press the PS button on the wireless controller.
- 5 Follow the on-screen instructions to perform the initial setup.

Playing disc content

- 1 Open the disc cover and insert the disc.
To open the disc cover, you can either press the (open) button or manually slide the disc cover to the left. Push the disc into place until you hear a click.
 - 2 Slide the disc cover closed.
When you close the disc cover, the disc will automatically start playing. If the disc does not automatically start, select the icon for the disc from the XMB™ menu, and then press the ⊗ button.
- To quit a game, press the PS button on the controller and then select ⊘ (Quit Game). To quit playing other types of discs, press the ⊙ button on the controller.
 - Saved data for PlayStation®3 format software is saved in the system storage. To display the data, go to (Game) → (Saved Data Utility(PS3™)).

Connect to the network

Connect using a wired connection

- 1 Connect an Ethernet cable (sold separately) to the PS3™ system.
- 2 Select (Settings) → (Network Settings) → [Internet Connection Settings].
- 3 Select [Easy].
- 4 Check that the settings are correct, and then save the settings.

Connect wirelessly

- 1 Select (Settings) → (Network Settings) → [Internet Connection Settings].
- 2 Select [Easy] → [Wireless] → [Scan].
- 3 Select the access point you want to use.
- 4 Check that the SSID is correct and press the right button.
- 5 Select the type of encryption key.
- 6 Enter the encryption key.
Press the ⊗ button to display the keyboard.
Enter the encryption key and then select [Enter].
- 7 Check that the settings are correct, and then save the settings.

Using PlayStation®Network

PlayStation®Network gives you instant access to a variety of services, including online gaming, downloadable games, movies and content from (PlayStation®Store) and chat facilities under (Friends). To use PlayStation®Network, you must have a Sony Entertainment Network account. To create an account, select (Sign Up) under (PlayStation®Network) and follow the on-screen instructions. PlayStation®Network and PlayStation®Store not available in all countries and languages, see eu.playstation.com/legal for details. Broadband internet connection required. Users are responsible for broadband internet connection fees. Users must be 7 years or older and users under 18 require parental consent. Changes apply for some content and/or services. Registration also possible via web browser at eu.playstation.com.

PlayStation®3 – The Ultimate in Gaming and Home Entertainment

Is your new PlayStation®3 system set up and ready to go? Good, you are now ready to experience the most immersive games and incredible entertainment available.

Your PlayStation®3 is not just an amazing videogames system, it's a complete home entertainment solution. On this page we've listed just a few of the great features you can enjoy. And don't forget, we're adding new functionality all the time, so be sure to check eu.playstation.com for all the latest info.

Incredible Gaming Experiences

The Best Games in HD and 3D

Enjoy the richest of gaming experiences with stunning, blockbuster titles like Gran Turismo® 5, Killzone®3 and Uncharted 3: Drake's Deception™¹, allowing you to race, quest and battle in glorious High Definition and jaw-dropping 3D².

Subscribe to PlayStation®Plus

As a PlayStation®Plus member, you'll receive at least £300⁶ worth of PlayStation®Network games, premium avatars and dynamic themes each year, as well as exclusive discounts and access to selected demos, beta trials and full game trials for less than £3.50 a month (less than \$6.00AUD/\$7.50NZD a month).

PlayStation®Plus members can also choose to automatically download system software and game updates and back up game saves using online storage. To sign up, go to PlayStation®Store, choose PlayStation®Plus and select a membership option.

Move into Other Worlds

PlayStation®Move³ provides an exciting new way to play with your friends and family, with titles such as DanceStar™ Party, Sports Champions™, Start the Party!™ Save the World and EyePet™ all bringing endless fun to homes around the world. The incredible accuracy of PlayStation®Move can also add another level of immersion to epic gaming adventures, creating experiences so real, you could believe you are actually there.

Play Online for Free⁴

PlayStation®Network is completely free to join⁵ – sign up today to get:

- instant access to an online community of millions of players for free online gaming⁴
- instant access to PlayStation®Store.
- instant access to a wide range of online entertainment.

All you need is an internet connection and an active Sony Entertainment Network (SEN) account. To set up your account, select the  on your XMB™ Menu and then choose **Sign Up**.

PlayStation®Store is the place to shop for hundreds of downloadable games – from PS one® classics to the latest bestsellers – plus game add-ons, free demos and trailers. To access PlayStation®Store, simply sign in to PlayStation®Network and then select  from the XMB™ Menu.

Entertainment for Everyone

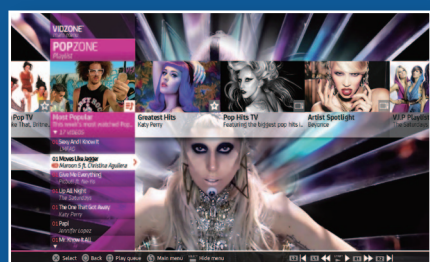

Watch Movies

To watch Blu-ray Disc™ or DVD movies, simply insert the disc and select the icon that appears under the Video section of your XMB™ Menu.

LOVEFiLM and Netflix⁷ are instantly available subscription services, allowing you to stream blockbuster movies directly to your PS3™.

Once you've set up an SEN account, you can then rent or buy great films⁸ from PlayStation®Store – which once downloaded will be displayed under the Video section of your XMB™ Menu.

And if you're a fan of classic movies, independent films and world cinema, you'll have MUBI's unique movie library at your fingertips – via the TV section of your XMB™ Menu – where you can instantly stream⁹ free movies, pay per view films and a 30 day "all you can watch" subscription service.

Watch TV Shows

Under the TV section of your XMB™ Menu you'll find the latest catch-up TV services available on PS3™ in your region. With your PS3™, the latest programmes from BBC iPlayer, ITV Player and 4oD are only moments away¹⁰.

And look out for PlayTV™ in stores now. PlayTV™ is a USB peripheral that lets you watch, pause, rewind and record live TV on your PS3™¹¹.

eu.playstation.com/playtv

Listen to Music and Watch Music Videos

VidZone™ is a completely free on demand service that lets you stream music videos from top artists and bands. Access VidZone™ directly from the TV section of your XMB™ Menu and start creating your own party playlists today.

Music fans should also check out Music Unlimited – a subscription service you can join via the Music section of your XMB™ Menu. Music Unlimited allows you to enjoy millions of tunes on your PS3™, PC or other devices.

Music Unlimited

Peripherals and Accessories¹²

An exciting range of PS3™ peripherals and accessories are available to take your experience even further. From immersive gaming devices such as the 3D Display, Wireless Stereo Headset and PlayStation®Move Sharp Shooter, to entertainment accessories such as the Blu-ray Disc™ Remote Control and SingStar® Microphones, there is truly something for everyone. For online gamers or those who just want to stay in touch with friends and family, the wireless keyboard and wireless headset make communication simple.

Visit eu.playstation.com/ps3/peripherals for a full list of PS3™ peripherals and accessories.
