

Key Features

- One Button Recording
- Large Playback Speaker for Improved Sound
- Led Battery Level Indicator
- Built-In Microphone
- Up to 25 Hour¹ Battery Life

Key Technologies

One Button Recording For simplified, quick play/record operation.

25 Hour¹ Battery Life Is made possible by advanced technology which extends battery power beyond previous limits.

LED Battery Level Indicator Provides visible indication of battery power remaining.

Clear Voice™ Recording System Improves and enhances voice quality during record and playback.

Large Playback Speaker for Improved Sound Large speaker allows better sound quality during playback.

Built-In Microphone For extra convenience, eliminates the need for an external microphone.

Automatic Shut-Off at End of Tape Pops up buttons to conserve battery power, reduces mechanical wear, and alerts you that the end of the tape has been reached.

One Touch Record from Playback For simplified quick play/record operation.

Sony-Matic® Automatic Recording Level Control Uses advanced circuitry to ensure correct recording level.

L/R Monaural Earphone Jack provide sound in both ears when using an optional stereo headset

Cue And Review Function Provides sound during fast forward and rewind modes to help find specific passages.

Pause Switch Temporarily halts recording or playback without leaving that mode, and resumes at the flick of a button.

Stop/Pause Release Function Automatically turns off the pause switch whenever the stop button is pressed, to prevent loss of recording.
