VGF-AP1L

VAIO Pocket™ Digital Music Player

features

- **40GB¹ Hard Drive Digital Music Player** offers plenty of storage for music, pictures and data back-up.
- **Store up to 26,000 Tracks² at 48kbps** when using Sony's ATRAC3plus™ audio format.
- **2.2" QVGA+ Color LCD for Displaying Album Jacket, Music Data and Pictures** adds great, fun visual enhancement. Enjoy slide shows while listening to your favorite music, or turn your pictures into album arts.
- **Sony's Connect™ Online Music Store** offers one of the most extensive music libraries online – a better selection than any other legal download service. Access more than 750,000 songs, including independent and foreign artists as well as featured artists and celebrity mixes, providing an easy method for downloading music legally.
- **Internal Rechargeable Battery Provides Up to 20 Hours³ Continuous Playback (ATRAC3™ Audio Playback)** and can be charged using supplied charging cradle.
- **Grid Sense™ Touchpad User Interface** for easy and precise navigation.
- **Supplied In-Line Remote Control with 3-Line Backlit LCD** shows artist and song title.
- **Intuitive Music Search and Play List Creation** — VAIO Pocket™ player sorts music not only by genre, artists and album names but also the date you listened and your preference.
- **USB 2.0⁴ Cradle for PC Connection High Speed Transfer and Charging** connects unit directly to PC and recharges the internal battery by simply placing the VAIO Pocket™ digital music player in the USB 2.0⁴ cradle when cradle is powered by supplied AC adaptor. After music mixes have been created on PC, they are easily transferred at high speed to the player.
- **Transfer Pictures Directly from Compatible Digital Cameras via USB Cable.⁵** It is a simple automatic process.
- **Plays Back in ATRAC3™ and ATRAC3plus™ Audio Format, Supports Multiple Internet Audio Formats (MP3⁶, WMA⁶, WAV⁶)**
The VAIO Pocket digital music player plays back ATRAC3 and ATRAC3plus files and supports the most popular Internet Audio formats by transcoding to ATRAC3 format.
- **Music Management Software Supplied** Import, manage and easily transfer your digital music collections with the supplied music management software.
