FEATURES

MULTIMEDIA KEYS

The Game Pad provides a full set of multimedia control keys, including volume control (+, -, and mute), play/pause, stop, back track, and next track. The keys 'play/pause, stop, back track and next track' are designed to work with Microsoft® Windows® Media Player version 6.4 or higher. The volume control and mute buttons work on the main Windows controls.

LED LIGHT INDICATORS

The Game Pad has two LEDs to support some of its unique functions. 'Enabled' LED and 'Action' LED.

'ENABLED' LED

The 'Enabled' LED light indicates that the currently chosen keyboard layout (Mod file), used by the Z Engine Software, matches the game active on screen. This indicates that the mapping shown will match the game's default keyboard game setting.

The 'Enabled' LED light will be illuminated when playing a game using a pre-defined Game Pad Mod for that game. This indicates that the mapping of the keys in the gaming section has been changed from the default to correspond with the current chosen game.

NOTE: When the 'Enabled' LED is OFF, it does NOT indicate a technical problem.

'ACTION' LED

The 'Action' LED indicator is reserved for future functionality that will become available via software updates.

KEYBOARD HEIGHT ADJUSTMENT

The Game Pad comes equipped with extendible legs. The legs can be raised or lowered depending on preference.

OTHER CONVENIENT FEATURES

Detachable wrist rest, USB Cable Organizer, Carrying Handle, Illuminated Logo

INSTALLING THE Z ENGINE SOFTWARE

INSTALLATION INSTRUCTIONS

Installing the latest software version downloadable from <http://www.ideazon.com> is highly recommended.

NOTE: Your installation screens may vary depending on which version of Microsoft® Windows® you are using.

NOTE: You must be logged on as an Administrator or Power User to install.

In order for the game pad keys and other special features to work properly; the Z Engine software must be installed.

1. Connect the Game Pad to an available USB port on your computer and wait for Windows to auto-recognize the device and automatically install the basic drivers for it. After 10-20 seconds a balloon will pop up, stating 'Your hardware is ready for use'.
2. Double-click the latest installation software you downloaded or place the Game Pad CD in the CD-ROM drive. NOTE: The "Auto-run" feature should start the installation process automatically. If installation does not begin automatically, open "My Computer", click on the CD ROM drive (Usually marked "D"), and double-click "SETUP.EXE".
3. In the "License Agreement and Limited Warranty" window, click 'Yes' if you accept the terms. If you do not accept the terms, the Z Engine Software installation will be aborted and you will not be able to take full advantage of all the features your Game Pad has to offer.

4. In the "Choose installation directory" window, note the default directory of the Z Engine Software. It will be installed to "C:\Program Files\Ideazon\ZEngine". If you need to locate the installation files, they will be found in this directory.

To install the Z Engine Software in the default directory click Next. To install the Z Engine Software in a directory of your own choosing, click Browse and choose a directory.

5. Click Install to begin the installation.

6. Installation of the Z Engine Software will now begin. The status bar indicates the percentage of completion.

Note: The Z Engine requires that Microsoft .NET Framework 2.0 be installed on the computer. The process includes the .NET Framework 2.0 installation for those who don't have it installed already. The .NET Framework 2.0 is also freely available using the Microsoft 'Windows Update' feature.

7. Follow the instructions on your screen

After the installation is complete a green 'Z' tray tool icon will appear in your System Tray. You can access the Z Engine Software in various ways including pressing the key labeled 'Z' on the Game Pad, double-clicking the tray tool icon or via 'Start>Programs' in the Start menu.

Z ENGINE SYSTEM TRAY ICON

You will see a small 'Z' tray icon in your Microsoft® Windows® System Tray that offers fast access for various features.

 (Green) indicates that the Software is working properly and at least one Z Engine compliant device is connected to the PC.

 (Yellow) indicates that at least one of the Z Engine compliant devices connected to the computer is working and at least one device is not working.

 (Red) indicates that there is no Z Engine compliant device connected to the computer OR there is a problem with the Z Engine Software.

The Z Engine System Tray icon also provides quick access to several features by right-clicking it and choosing the appropriate option.

UNINSTALLING Z ENGINE SOFTWARE

1. Click Start > Control Panel (or Start > Settings > Control Panel, depending on which version of Microsoft® Windows® you are using).
2. Double-click on the Add/Remove Programs icon.
3. Search the list for "Z Engine" or similar. Click 'Remove' to start the uninstall process.

Z ENGINE SOFTWARE IN DEPTH

Filled with pre-defined Mods (key mappings) for the hottest games, advanced customization and re-mapping abilities, multi-devices support, robust content and updates, and many other in-development add-ons; the Z Engine Software is your gaming hardware companion.

To access the Z Engine Software from the System Tray icon, double-click or right-click on it and choose the appropriate option. This will open the main window of the software. There are other ways to open the software such as 'Start>Programs', or pressing the key on the Game Pad labeled 'Z'.

For full help and details on the Z Engine software please refer to the Z Engine Software User Guide which can be found under the 'Help' section of the Z Engine Software.

ADDITIONAL FEATURES

The Game Pad is designed for all fast-paced action, shooter, and massively multiplayer online titles such as DOOM 3™ and Half-Life 2®. The Game Pad offers the following features to help you make the most of your gaming experience:

GAMING CONTROL

First-person and third-person shooter games have always relied on the WASD keys, or some variation of that key pattern, to control navigation through the game world. But traditional keyboards were not designed with this type of functionality in mind.

The Game Pad offers gamers improved navigation with the 'butterfly keys'. These keys are larger than those found on a traditional keyboard, so that your fingers will not slip off the key in the heat of combat. Also, they are positioned at a slight angle to ensure maximum comfort over long periods of gaming.

If you are unsure about which version of an application you are using, go into that application's 'Help' > 'About' section to verify the version number.

FREQUENTLY ASKED QUESTIONS

(Question):

My Z Engine System Tray icon stays red.

(Answer):

Check that the Z Engine compliant device is properly attached to a BACK USB port on the PC.

Ensure you are not using any intermediate devices between your keyboard and your PC such as PS/2>USB converter, KVM or other PC switch, or cable extension cord.

Uninstall and reinstall the Z Engine software with the Game Pad plugged in.

Ensure your "USB Legacy support" or "USB Emulation" settings in your BIOS are "Enabled" or "On".

Try changing your BIOS settings to "Normal boot" and not "Rapid/Fast boot".

(Question):

The 'Enabled' LED is never ON

(Answer):

The 'Enabled' LED is ON only when you are playing a game that matches the current Game Pad Mod file.

(Question):

Some of my multimedia control keys don't work and I can't re-assign them for any other function

(Answer):

The 4 Multimedia control keys (Back Track, Stop, Play/Pause and Next Track) currently support Windows® Media Player version 6.4 or higher only. They do not support any other media players. The Multimedia keys are hard-coded to perform their respective functions, and cannot be reassigned.

Check our online support at <http://www.ideazon.com> if you require additional support.

CARE INSTRUCTIONS

Like any other peripheral for your computer, the Game Pad is a sensitive electronic device that must be handled with care. Please consider the following handling, cleaning, and storage recommendations for your Game Pad.

Handling your Game Pad with the proper degree of care will ensure it provides you with enjoyment for years to come.

HANDLING

When handling the Game Pad, please take the following precautions:

- ▶ Keep components out of reach of small children. Individual keys may be pried loose and may present a choking hazard.
- ▶ Never expose the Game Pad to liquid. Each component has sensitive electronics that will be destroyed by contact with water, coffee or other liquids. When cleaning, use a damp cloth.
- ▶ Exercise caution when storing your Game Pad. Do not expose to temperature extremes, and do not rest heavy items on top of it.
- ▶ Keep away from heavily dusted environments

CLEANING

To clean the Game Pad, wipe with a mildly damp cloth. Never immerse in water, as the unit contains sensitive electronic components that may be destroyed, voiding your warranty.

Do not use any harsh cleaners or disinfectants on your Game Pad. A damp cloth with a dab of dish-washing detergent or "Computer Case and Monitor" cleaning solution, available at any computer store will be sufficient.

STORAGE

When not in use, store your Game Pad in a dust-free area, preferably in its original packaging.

Keep all the Game Pad components away from sources of major heat (baseboard heaters, car dashboard, etc.).

Keep the Game Pad away from any major magnetic sources.

HEALTH WARNING

As with many activities, when using a computer, you may experience occasional discomfort in your hands, arms, shoulders, neck, or other parts of the body. If you experience symptoms such as persistent or recurring discomfort, pain, throbbing, aching, tingling, numbness, burning sensation, or stiffness, **DO NOT IGNORE THESE WARNING SIGNS. PROMPTLY CONSULT A QUALIFIED HEALTH PROFESSIONAL.**

END-USER LICENSE AGREEMENT

Ideazon, Inc. ("Ideazon") is willing to license the accompanying Software and documentation (collectively, the "Software") to you only on the condition that you accept all of the terms and conditions in this Agreement.

Please read the terms and conditions below carefully. By opening the package or downloading, installing, or running the Software, you acknowledge that you have read this Agreement and agree to be bound by its terms and conditions.

If you do not agree to these terms and conditions, Ideazon is unwilling to license the Software to you, and you should not use or install the Software, and, if applicable, you should click the "I Do Not Accept" button below.

1. GRANT OF LICENSE.

Subject to the terms and conditions of this Agreement, Ideazon grants you a personal, non-exclusive, restricted right to install and use one copy of the Software on a single computer or other digital electronic device solely for use in conjunction with the Ideazon hardware device with which it was shipped, or for which it was intended in accordance with the download instructions. If the Software is provided in multiple versions (for hardware compatibility) or languages, in the preceding sentence "one copy" means one version, in one language format. In addition, you may (i) make one copy of the Software solely for purposes of having a backup copy, provided that you reproduce on that copy all copyright notices and any other confidentiality or proprietary legends that are on the original copy of the Software, or (ii) transfer the Software to a single hard disk provided you keep the original solely as a backup copy. You understand that Ideazon may update or upgrade the Software at any time and in doing so incurs no obligation to furnish such updates to you pursuant to this Agreement. Notwithstanding the foregoing, any updates or upgrades to the Software provided to you by Ideazon are subject to the terms and conditions of this Agreement, except to the extent of any different or additional terms that accompany such update or upgrade.

2. OWNERSHIP.

The Software and its accompanying documentation ("Documentation") are and shall remain proprietary products of Ideazon and its suppliers. Ideazon and its suppliers shall retain ownership of all patents, copyrights, trademarks, trade names, trade secrets and other intellectual property or proprietary rights in the Software and Documentation. Except as provided in Section 1, you have no right, title or interest in or to the Software or Documentation. The Software is licensed, not sold, to you for use only under the terms of this Agreement. If you agree to be bound by all of the terms of this Agreement, you will only own the media on which the Software has been provided, if any, and not the Software itself.

3. RESTRICTIONS.

Ideazon reserves all rights in the Software and Documentation not expressly granted to you. Except as permitted in Section 1, you may not use, copy, modify, create derivative works of, distribute, sell, assign, pledge, sublicense, lease, loan, rent, timeshare or otherwise transfer the Software or Documentation, nor may you permit any other party to do any of the foregoing. You may not remove from the Software or Documentation, or alter, any of the trademarks, trade names, logos, patent or copyright notices or markings, or add any other notices or markings to the Software or Documentation. You may not, either directly or through any third party, reverse engineer, decompile, disassemble, translate, or attempt to derive the source code of the Software or any part thereof. Notwithstanding the foregoing, decompiling the Software is permitted to the extent the laws of your jurisdiction prohibit such restriction in order that you may obtain information necessary to render the Software interoperable with other software; provided, however, that you must first request such information from Ideazon and Ideazon in its discretion may, either provide you with such information or impose reasonable conditions, including a reasonable fee, on such use of the Software to ensure Ideazon's proprietary rights in the Software are protected.

4. SUPPORT SERVICES.

Ideazon may provide you with support services related to the Software or the Ideazon hardware device that accompanies it ("Support Services"). Use of Support Services is governed by the Ideazon policies and programs described in the user manual, online documentation, or other applicable materials provided by Ideazon. Any supplemental software code provided to you as a part of Support Services shall be considered part of the Software and subject to the terms of this Agreement. With respect to technical information you provide to Ideazon as part of the Support Services, Ideazon may use such information in its discretion for its business purposes, including for product support and development.

5. NO WARRANTIES.

The Software is licensed to you "as is," without warranty or condition of any kind. Ideazon and Ideazon's suppliers disclaim all warranties or conditions, express or implied, including without limitation the warranties or conditions of merchantability, fitness for a particular purpose, title and non-infringement of third party rights. Some jurisdictions do not allow the disclaimer of implied warranties, so the above disclaimer may not apply to you. This warranty gives you specific legal rights. You may have other legal rights that vary from jurisdiction to jurisdiction.

6. LIMITATION OF LIABILITY.

No Ideazon supplier shall have any liability whatsoever under this agreement. Ideazon and its suppliers shall not be liable for any indirect, exemplary, special, consequential or incidental damages of any kind (including without limitation lost profits), even if Ideazon or such supplier has been advised of the possibility of such damages. In no event will Ideazon's aggregate liability in connection with this agreement and the software, regardless of the form of the action giving rise to such liability (whether in contract, tort or otherwise), exceed \$100. Some jurisdictions do not allow the limitation or exclusion of liability for consequential or incidental damages so the above limitation or exclusion may not apply to you. You acknowledge and agree that this limited liability provision is a fundamental part of the basis of Ideazon's bargain hereunder, and Ideazon would not be willing to provide the Software to you absent such limitations.

7. TERMINATION.

You may terminate this Agreement at any time. This Agreement shall terminate automatically upon your breach of any term of this Agreement. Upon termination, you shall destroy the Software and the backup copy, if any, you made pursuant to the Agreement.

8. GOVERNMENT END-USERS.

The Software is a "commercial item" as that term is defined at 48 C.F.R. 2.101; consisting of "commercial computer software" and "commercial computer software documentation" as such terms are used in 48 C.F.R. 12.212. Consistent with 48 C.F.R. 12.212 and 48 C.F.R. 227.7202-1 through 227.7202-4, all U.S. Government End-Users acquire the Software with only those rights set forth herein.

9. EXPORT CONTROL.

The Software is subject to the export control laws of the United States and other jurisdictions. You may not export or re-export the Software without the appropriate United States and foreign government licenses. You shall otherwise comply with all applicable export control laws and shall defend, indemnify and hold Ideazon and all Ideazon suppliers harmless from any claims arising out of your violation of such export control.

10. GENERAL.

This Agreement shall for all purposes be governed by and interpreted in accordance with the laws in force in the State of California, U.S.A., without regard to any provision that would cause the laws of another jurisdiction to apply. You agree to the non-exclusive jurisdiction of the state and federal courts located there and the provincial and federal courts of Ontario, Canada in connection with any dispute arising out of this Agreement. The United Nations Convention on Contracts for the International Sale of Goods is specifically disclaimed. If any provision of this Agreement is held by a court of competent jurisdiction to be unenforceable for any reason, the remaining provisions hereof shall be unaffected and remain in full force and effect. This Agreement is the final, complete and exclusive agreement between the parties relating to the subject matter hereof, and supersedes all prior or contemporaneous understandings and agreements relating to such subject matter, whether oral or written. By opening the software package or downloading, installing, or running the Software, you acknowledge that you have read this Agreement, understand it and agree to be bound by its terms and conditions.
