

Stiga Garden Combi

A ride-on lawnmower with collector. The versatile machine can also use Multiclip and Rear Discharge.

Compact dimensions but great features. The rider has an excellent collection, but can also be driven through tall grass thanks to the rear discharge (accessory). The collector (capacity 170 litres) is easily empty from the driving seat, a buzzer will tell you when it will be full.

The ride-on lawn mower can be quickly converted to a Multiclip machine let you save time, have fertilised garden and reduce noise emissions.

Handiness and compact dimensions permit you to cut your small garden as well as trim around trees and edges. The deck has also a unique system for easy cleaning.

Adjustable seat

Equipped with an environment friendly 12,5 hp engine. The machine has gear transmission. The cutting width is 72 cm.
