4.

OR

Please turn on power switch.

Note:

- Make sure your PC is ON and running when doing the pairing procedure.
- You don't have to pair ID again after changing batteries.

Specification

Wireless Keyboard

Interface: Wireless 2.4 GHz & Bluetooth (HP 475 Dual-Mode Wireless Keyboard)

Bluetooth (HP 460 Multi-Device Bluetooth Keyboard)

Frequency band: 2402MHz-2480MHz

Rating: 1.5V,10mA

Maximum radio-frequency power transmitted: ≤ 10 mW

Item	Specification
Operating Temperature	0 ~ +40°C
Weight	
RF Specification	
Frequency	2.4GHz
Modulation mode	GFSK
BT Channel	40CH
RF Channel	79CH
Antenna Specification	Chip Antenna
Antenna Gain	0.6 dBi
Power Specification	
Battery	AAA * 2

Wireless Dongle

Interface: Wireless 2.4 GHz

Frequency band: 2402MHz-2480MHz

Antenna Type:Chip

Rating: 5V, 100mA

Maximum radio-frequency power transmitted: ≤ 10 mW

Item	Specification
Operating Temperature	0 ~ +40°C
RF Specification	
Frequency	2.4GHz
Modulation mode	GFSK
Channel	79CH
Antenna Specification	Chip Antenna
Antenna Gain	3.49 dBi
Power Specification	
Battery	USB 5V

Label Specification:

Manufacturer Name: HP Inc.

Corporate Address: 1501 Page Mill Road Palo Alto, CA 94304, USA

CAUTION

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any changes or modifications not expressly approved by the party responsible for compliance could void the authority to operate equipment.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC Radiation Exposure Statement:

The product comply with the US/Canada portable RF exposure limit set forth for an uncontrolled environment and are safe for intended operation as described in this manual. The further RF exposure reduction can be achieved if the product can be kept as far as possible from the user body or set the device to lower output power if such function is available.

Palo Alto, CA 94304

or call HP at 650-857-1501

To identify your product, refer to the part, series, or model number located on the product.

Industry Canada Notice

This device complies with Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes : (1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

**SIMPLIFIED DECLARATION OF CONFORMITY****TPA-S001K & TPA-S001D**

Hereby, **HP**, declares that the radio equipment: **TPA-S001K & TPA-S001D**

is in compliance with Directive 2014/53/EU. The full text of the EU Declaration of Conformity is available at the following internet address: **www.hp.eu/certificates** (search with Model Name).

Brazilian Notice

"Este equipamento opera em caráter secundário, isto é, não tem direito a proteção contra interferência prejudicial, mesmo de estações do mesmo tipo, e não pode causar interferência a sistemas operando em caráter primário."
