To whom it may concern:

The Symbol Technologies Inc.'s Bluetooth Module with Symbol Part Number 21-64381 is a module intended for integration purposes into Symbol products only; as such it has no Users Manual.

The 21-64381 module only contains a radio module with the following functionality: Host-client interface, Bluetooth framer, and RF section (and the associated flash ROM firmware for these sections). The Bluetooth transmitter profiles, a regulated 3.3 Vdc supply, and the antenna port must be present on the host.

The end user will be informed that a statement must appear on the outside of the product that states: *This unit contains FCC ID: H9P2164381. or Contains Transmitter Module FCC ID: H9P2164381 or Contains FCC ID: H9P2164381 or equivalent.*
