

## **Introduction**

The PDT 687C terminal contains a CISCO radio card. Refer to the PDT 6800 Series Product reference Guide , p/n 70-32645-xx, for information on configuring the terminal.

## **Regulatory Information**

### **FCC RF Exposure Guidelines**

The device complies with internationally recognised standards covering Specific Absorption Rate (SAR) related to human exposure to electromagnetic fields from radio devices.

### **Handheld Devices**

To comply with FCC RF exposure requirements, this device must be operated in the hand.

## **Radio Frequency Requirement**

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.
