

Clear and Simple Quick Start Guide

Getting to know your Alcatel STREAK™

Phone setup

1. Remove the back cover by lifting from the bottom left corner.
2. Remove the battery.
3. To insert the SIM, turn the SIM card so the gold contacts face downward.
4. To insert a microSD card (sold separately), turn the microSD card so the gold contact face downward and slide it into the microSD slot. Make sure that it is correctly inserted.
5. Install the battery.
6. Install the back cover.

WARNING!

To avoid damage to the phone, only use the SIM included in the box or provided to you by Cricket.

Touch screen

Navigating your phone

- Quickly press the power key to wake up the display and swipe to unlock.
- Use your finger tip to lightly touch the screen.
- Use quick flicks of your finger on the touch screen to swipe up, down, left, and right.
- To return to the previous screen, tap the **Back key**.
- Tap the **Home key** at any time to return to the main home screen.
- Tap the **Recent Apps key** to access recently viewed apps.
- Tap **Apps** to access applications on your phone.

Notification panel

Access alerts, including new messages, emails and software updates.

- Tap the top of the home screen and drag your finger down to see the Notifications panel.
- Swipe right or left to clear individual notifications or tap to clear all.
- With notification panel open, tap top of screen again and drag down to expand the quick settings menu.
- Tap to access the settings menu.

Personalize

Set wallpaper

- To change your home or lock screen wallpaper, press and hold a blank part of the home screen and tap **WALLPAPERS**.
- Select a wallpaper and tap to set it. You can also tap **Pick image** for additional options.

Add to home screen

- To add app shortcuts, tap **Apps**, press and hold the desired app, and drag it to the home screen.
- To add widgets, press and hold a blank part of the screen and tap **WIDGETS**, press and hold the desired widget and drag it to the home screen.

Organize home screens

- To move widget or app shortcut, press and hold it and then drag it to a new location. To delete it, drag it to the X and release it.
- To organize app shortcuts in a folder, press and hold a shortcut and drag it so it is on top of another one and release it. This will create a Folder. Drag additional shortcuts to the folder to add them.
- To rename a folder, tap the folder title and then type a new name.

Calls and voicemail

Make a call

1. From the home screen, tap **Call**.
2. Type a name or phone number, or select one of the following options:
 - **Dialer**: Manually enter a phone number.
 - **Speed dial**: Choose from frequently called contacts.
 - **Call log**: Choose from a list of people who you have called or have recently called you.
 - **CONTACTS**: Call from your contacts list.

Check voicemail

1. From the home screen, tap **Call**, then tap **1**.
2. Press and hold the **1 key**.

Use call waiting

Call waiting lets you answer a second call while you are on an existing call.

1. While on a call, you will hear a tone if another call comes in. Slide to the right to answer.
2. Tap or tap **On hold** to switch between active calls.
3. Tap to merge calls.
4. Tap to end a conference call.

Manage Conference Call to hang up or unmerge individual callers

Text and picture messaging

Send a text message

1. From the home screen, tap **Messaging** to start a new text message.
2. Tap **New message** to start a new text message.
3. In the **To** field, enter a number or a contact name or tap **Contacts** to access your contacts.
4. Tap the **Type message** field and enter your message.
5. Tap **Send** to send the message.

Send a picture message

1. Follow steps 1-4 above.
2. Tap the **Paperclip**.
3. Select a desired picture or tap to take a picture to attach.
4. Tap **Send** to send the message.

Please don't text and drive.

Email

Email setup (Gmail™, Yahoo!®, etc.)

1. From the home screen, tap **Apps** > **Email**.
2. Select an account type, enter your email address and password, then tap **NEXT**.
3. Confirm email account settings and tap **NEXT**.
4. Tap **FINISH**. Your email will begin to synchronize with your phone.

Note: To set up corporate email, contact your IT administrator.

Create and send an email message

1. From the home screen, tap **Apps** > **Email**.
2. To compose a new message, tap **Compose**.
3. Tap the **To** field and enter email address or name or tap **Contacts** to access your contacts.
4. Enter a subject and email message.
5. To attach files to the email message, tap the **Paperclip** and make your selection.
6. Tap **Send** to send the message.

Cricket Apps & Services

These services make using Cricket even better and easier.

My Cricket: Access billing, make a quick payment, view usage and access support from the palm of your hand.

Cricket Wi-Fi Manager: Helps you save your high speed data by seeking out free and open Wi-Fi hotspots whenever you're near them. Also remembers your favorite Wi-Fi hotspots and connects you automatically. Cricket does the searching so you can do the saving.

Visual Voicemail: Quickly view, access and play back your voicemail messages. Easily save important numbers to your Favorites list and respond to messages by calling back or texting.

Deezer: Listen on-the-go with ad-free streaming music, download your favorites to your phone, and get customized playlists based on your preferences.

Apps on Google Play™

The Alcatel STREAK™ is preloaded with great apps to help take your smartphone experience to the next level.

To find additional apps, check out Google Play.

Access Google Play

1. From the home screen, tap **Play Store**.
2. Enter your existing Google account or create one following the steps on the screen.

Navigate Google Play

From Play Store, there are multiple ways to find apps, games, and more.

1. Tap a category to browse popular apps, games, movies, and music organized by popularity or category.
2. Tap **Search** to search the Play Store for a specific game or app.
3. To install, tap the app and follow instructions. Once installed, you will see a notification in the Notifications panel. Open the app from this notification or by locating the app in **Apps**.

Note: A Google Wallet™ payment method is required to purchase apps.

Camera and video

Take a picture

1. From the home screen, tap **Camera**.
2. Tap to select different modes. Then tap to display **Camera settings**.
3. Zoom in and out by pinching with your fingers.
4. Tap the **Shutter button** or press the **Volume Keys** to take a photo.

View pictures

1. From the home screen, tap **Apps**.
2. Tap **Gallery**.

Take a video

1. In camera mode, tap **Start recording** to start and tap **Stop recording** to stop recording video. During video recording, you still can take pictures by tapping the **Shutter button**.

Send a picture

1. After taking a picture, slide left to view the pictures that have been taken. Tap a picture and then tap **Share**.
2. Scroll through options to send via text messaging, email, and more.

Polaroid Camera

Take a picture

1. From the home screen, tap **Camera**.
2. Tap to select **Polaroid**.
3. Zoom in and out by pinching with your fingers.
4. Tap the **Shutter button** or press the **Volume Keys** to take a photo.
5. Tap the **Shutter button** again to take another photo. You can see 2 photos are in one screen.

Edit pictures with Polaroid

1. Tap from full-screen picture view, select **Polaroid editor**.
2. You can personalize your photos by adding text, locations, borders, and much more.
3. Tap to save the picture.

Send a picture

1. After taking a picture, enter the full-screen picture view, tap **Share**.
2. Tap to send via text messaging or email, Gmail, and more.

Unique Alcatel Features

Color notification

Color highlighting lets you quickly identify unread call or message notifications on the lock screen or notification panel.

FUNC quick access

Double tap the shortcut in the lock screen to enter an app or detailed notification. You can customize a maximum of 5 shortcuts that appear on the lock screen.

Google translation

Google translation supports both words and voice translation. Also you can create a shortcut on the lock screen for it.
