FCC Statement

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

-- Reorient or relocate the receiving antenna.

-- Increase the separation between the equipment and receiver.

-- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

-- Consult the dealer or an experienced radio/TV technician for help

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions (1)this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

SPECIFICATIONS

Model No: HP6521
Working Distance: Approx. 33 ft
Playback Time: 2 Hours with light
Charge Time: 2 Hours
Headphone Output Power: 10 mW
Frequency: 20 – 20 kHz
Profile: DSP / HSP / HFP / A2DP/ AVRCP
Built-In Battery: 360 mAh

Bluetooth® CONNECTION

1. To power the headphones on, press and hold the multi-function button until the indicator light begins to flash blue and red. This means that your headphone has entered pairing mode.
2. Turn on your device's Bluetooth. From the Bluetooth menu select "iW_HP6521".
3. When paired successfully the device will make a tone to confirm the connection has been made.

HOW TO USE YOUR HEADPHONES

1. Connect the headphones to your device through Bluetooth or using the Auxiliary cable.
2. Press multi-function button to answer phone calls; press twice to cancel. When the call is finished, press the button twice to end it.
3. Remember to turn the headphones off by pressing and holding the multi-function button after each use.

CHARGING

1. To begin charging your headphones, connect the provided micro-USB cable to the headphones' charging port. Then connect the other end of the cable to your power source.
2. The red LED indicator light will turn off once your headphones have reached a full charge.
3. Always disconnect the cable when charging is finished.
