RE: FCC ID: O2YPA3122U-1MPC - Declaration regarding user manual statement

With the power of attorney and on behalf of Toshiba Corporation, Digianswer A/S hereby declares that the following statement will be added to the next revision of the manual or will be added as a flyer to the laptop/Mini PCI Card package:

*This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:--Reorient or relocate the receiving antenna.--Increase the separation between the equipment and receiver.--Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.--Consult the dealer or an experienced radio/TV technician for help.*

Sincerely

for Digianswer A/S
