Re: Installation procedure of our MEDIO L100 & AERO LI Library Product  
FCC ID: QHK100AEROLI

Dear Sir,

Please note that the Medio L100 Smart Label Reader and the Aero-LI antenna are ONLY installed in library systems by trained professionals.

I confirm that these products are NOT accessible by librarians or the general public. The reader and antenna units are encased in office furniture and cannot be seen or accessed.

Our products are sold ONLY to professional library system specialists.

If you have any further questions, please do not hesitate to contact me.

Thank you for your time and consideration.

Regards,

Franck D'ANNUNZIO  
Director  
Product Development
