Quick Start Guide

→ It's in the box

No bags of gear. No complicated setups. Here's everything you need to create stunning 360° videos and images.

ibi360 (integrated rechargeable lithium battery)

Lens cover

USB power adaptor

40-pin to USB cable/charger

Wrist strap

Pouch

➔ Turn your ibi on

That little button above the screen is your gateway to fun. Press it. The LEDs and screen will light up. ibi360 automatically starts in live view mode.

Make sure you peel off the protective film on the lens and the screen.

No matter what you're doing, live view is never far away. Just press the trigger to go back to it.

➔ Start creating

Tapping the screen once in live view mode enables you to toggle swiftly between image  and video  mode.

Once you've picked your content format, hold ibi360 in front of you with the lens pointing up and simply press the trigger. For videos, press the trigger a second time to stop recording.

→ Take a look

Tap the screen in live view and select **viewer**.

You can now scroll through the videos and images you created.

➔ Settings

Tap the screen in live view and select the **status bar**.

You can now review what's going on with your ibi360 and access your **settings**.

→ Wi-Fi

Go into **settings** and tap on **Wi-Fi** to select a network.

If the chosen network is protected, enter its password and then confirm.

➔ Connect

Go to www.tamaggo.com/go.

Download and install the appropriate software for your desktop or mobile device.

Wi-Fi® connection

Connect device and ibi360 to the same Wi-Fi network.

USB connection

Connect ibi360 to your desktop with the included USB cable.

➔ Transfer

Open your application, select the ibi icon then choose your ibi from the list.

Wifi (Mobile or Desktop)

When selecting your ibi360 for the first time, you will be required to enter the **PIN number** found in the settings of your device.

After entering the PIN, you can proceed to select the videos and images you want to download.

USB (Desktop)

Select the videos and images and then click **Download**.

Legal information

End User License

Software delivered with this Product and its media ("Software") is owned by Tamaggo Inc., and/or its affiliated companies ("Tamaggo") and its suppliers and licensors.

Tamaggo grants you a non-exclusive limited license to use the Software solely in conjunction the ibi 360 devise on which it is installed or delivered. Ownership of the Software is no sold, transferred or otherwise conveyed.

You may not use any means to discover the source code or any component of the Software, reproduce and distribute the Software, or modify the Software. You are entitled to transfer rights and obligations to the Software to a third party, solely together with the ibi 360 devise with which you received the Software, provided the third party agrees in writing to be bound by the terms of this License.

The License exists throughout the useful life of the ibi 360 devise. It can be terminated by transferring your rights to the ibi 360 devise to a third party in writing.

Failure to comply with any of these terms and conditions will terminate the License immediately.

Tamaggo Inc., its affiliated companies and its third party suppliers and licensors retain all rights, title and interest in and to the Software. Tamaggo Inc., and, to the extent that the Software contains material or code of a third party, such third party shall be entitled third party beneficiaries of these terms.

This license is governed by the laws of Quebec. When applicable, the foregoing applies to statutory consumer rights.

In the event the Software accompanying or provided in conjunction with your ibi 360 devise is provided with additional terms and conditions, such provisions shall also govern your possession and usage of the Software.

Limited Warranty

Tamaggo Inc. or its local affiliated company provides this Limited Warranty for your ibi 360, original accessory delivered with your ibi 360 (hereinafter referred to as "Product").

Should your Product need warranty service, please return it to the dealer from whom it was purchased or contact your local Tamaggo Inc. Contact Center (national rates may apply) or visit www.tamaggo.com to get further information.

Our Warranty

Subject to the conditions of this Limited Warranty, Tamaggo Inc. warrants this Product to be free from defects in design, material and workmanship at the time of its original purchase by a consumer. This Limited Warranty will last for a period of one (1) year as from the original date of purchase of the Product.

What we will do

If, during the warranty period, this Product fails to operate under normal use and service, due to defects in design, materials or workmanship, Tamaggo Inc. authorized distributors or service partners, in the country* where you purchased the Product, will, at their option, either repair or replace the Product in accordance with the terms and conditions stipulated herein.

Tamaggo Inc. and its service partners reserve the right to charge a handling fee if a returned Product is found not to be under warranty according to the conditions below.

Please note that some of your personal settings, downloads and other information may be lost when your Tamaggo Inc. Product is repaired or replaced. At present Tamaggo Inc. may be prevented by applicable law, other regulation or technical restrictions from making a backup copy of certain downloads. Tamaggo Inc. does not take any responsibility for any lost information of any kind and will not reimburse you for any such loss. You should always make backup copies of all the information stored on your Tamaggo Inc. Product such as downloads, calendar and contacts before handing in your Tamaggo Inc. Product for repair or replacement.

Conditions

1. This Limited Warranty is valid only if the original proof of purchase for this Product issued by a Tamaggo Inc. authorized dealer specifying the date of purchase and serial number**, is presented with the Product to be repaired or replaced. Tamaggo Inc. reserves the right to refuse warranty service if this information has been removed or changed after the original purchase of the Product from the dealer.
2. If Tamaggo Inc. repairs or replaces the Product, the repair for the defect concerned, or the replaced Product shall be warranted for the remaining time of the original warranty period or for ninety (90) days from the date of repair, whichever is longer. Repair or replacement may involve the use of functionally equivalent reconditioned units. Replaced parts or components will become the property of Tamaggo.
3. This warranty does not cover any failure of the Product due to normal tear and wear, or due to misuse, including but not limited to use in other than the normal and customary manner, in accordance with the Tamaggo Inc. instructions for use and maintenance of the Product. Nor does this warranty cover any failure of the Product due to accident, software or hardware modification or adjustment, acts of God or damage resulting from liquid.

A rechargeable battery can be charged and discharged more than a hundred times. However, it will eventually wear out – this is not a defect and corresponds to normal wear and tear. When the talk-time or standby time is noticeably shorter,

it is time to replace your battery. Tamaggo Inc. recommends that you use only batteries and chargers approved by Tamaggo Inc.

Minor variations in display brightness and color may occur between the phones. There may be tiny bright or dark dots on the display. It occurs when individual dots have malfunctioned and cannot be adjusted. Two defective pixels are deemed acceptable.

Minor variations in camera image appearance may occur between phones. This is nothing uncommon and is not regarded as a defective camera module.

4. Since the cellular system on which the Product is to operate is provided by a carrier independent from Tamaggo Inc., Tamaggo Inc. will not be responsible for the operation, availability, coverage, services or range of that system.

5. This warranty does not cover Product failures caused by installations, modifications, or repair or opening of the Product performed by a non-Tamaggo Inc. authorized person.

6. The warranty does not cover Product failures which have been caused by use of accessories or other peripheral devices which are not Tamaggo Inc. branded original accessories intended for use with the Product.

7. Tampering with any of the seals on the Product will void the warranty.

8. THERE ARE NO EXPRESS WARRANTIES, WHETHER WRITTEN OR ORAL, OTHER THAN THIS PRINTED LIMITED WARRANTY. ALL IMPLIED WARRANTIES, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ARE LIMITED TO THE DURATION OF THIS LIMITED WARRANTY. IN NO EVENT SHALL TAMAGGO INC. OR ITS LICENSORS BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY NATURE WHATSOEVER, INCLUDING BUT NOT LIMITED TO LOST PROFITS OR COMMERCIAL LOSS; TO THE FULL EXTENT THOSE DAMAGES CAN BE DISCLAIMED BY LAW.

Some countries/states do not allow the exclusion or limitation of incidental or consequential damages, or limitation of the duration of implied warranties, so the preceding limitations or exclusions may not apply to you.

The warranty provided does not affect the consumer's statutory rights under applicable legislation in force, nor the consumer's rights against the dealer arising from their sales / purchase contract.

***Geographical scope of the warranty**

If you have purchased your Product in a country member of the European Economic Area (EEA) or in Switzerland or the Republic of Turkey, and such Product was intended for sale in the EEA or in Switzerland or in Turkey, you can have your Product serviced in any EEA country or in Switzerland or in Turkey, under the warranty conditions prevailing in the country in which you require servicing, provided that an identical Product is sold in such country

by an authorized Tamaggo Inc. distributor. To find out if your Product is sold in the country you are in, please call the local Tamaggo Inc. Contact Center. Please observe that certain services may not be available outside the country of original purchase, for example, due to the fact that your Product may have an interior or exterior which is different from equivalent models sold in other countries. Please note in addition that it may sometimes not be possible to repair SIM-locked Products.

** In some countries/regions additional information (such as a valid warranty card) may be requested.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or experienced radio/TV technician for help.

Caution: changes or modifications not expressly approved by Tamaggo Inc. could void the user's authority to operate this equipment.

This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.
