MPAA RATING

Select the block level. you can change the 'SHOW', 'BLOCK' by using ◀ ▶ keys.

	INPUT PA	ASSWORD	
	G	SHOW	General audiences. All ages admitted.
	PG	SHOW	Parental guidance suggested. Some material may not be suitable for children.
	PG-13	SHOW	Parents strongly cautioned. Some material may be inappropriate for children under 13.
"	R	SHOW	Restricted. Under 17 requires accompanying parent or adult guardian
"	NC-17	SHOW	No one 17 and under admitted.
	X	SHOW	A rating that has now been superseded by NC-17.

TV GUIDELINE

Select the TV guideline. you can change the 'SHOW', 'BLOCK' by using ◀ ▶ keys.

TV GI	JIDELINE	
TV-Y	SHOW	Young children
TVY7	SHOW	Children 7 and over
TV-G	SHOW	General audience
TV-PG	SHOW	Parental guidance
TV-14	SHOW	Viewers 14 and over
TV-MA	SHOW	Mature audience

BLOCK CONTENT (TV GUIDELINE ▶ CONTENT)

You can change the 'SHOW', 'BLOCK' by using ◀ ▶ keys.

BLOCK CONTENT	
D SHOW	Dialog
L SHOW	L
S SHOW	Sexual situation
V SHOW	Violence
FV SHOW	Fantasy violence

Note: The V-Chip will automatically block certain categories that are "more restrictive". For example, if you block "TV-Y" category, then TV-Y7 will automatically be blocked. Similarly, if you block the TV-G category, then all the categories in the "young adult" group will be blocked (TV-G, TV-PG, TV-14 and TV-MA). The sub-ratings (D, L, S, V) work together similarly. (See next section.)

Troubleshooting

Before you call a service technician, please scan this list of problems and possible solutions. It may save you time and money.

Problem	Quick Action for Possible Solution
No picture & No sound	Check whether the Monitor is turned on.
	Power cord inserted into wall outlet
	Plug another product's power cord into the wall outlet where
	the Monitor's power cord was plugged in.
Picture OK & No sound	Press the VOLUME(▶) button.
	Check the audio input signal.
The remote control doesn't work	Check to see if there is any object between the Plasma
	Display and the remote control causing obstruction.
	Check to see if the batteries are installed with the correct
	polarities.
No or poor color or poor picture	Select Color in the Picture and press VOLUME (▶) button.
	Keep a certain distance between the Monitor and the VCR.
	Activate any function to restore the brightness of the picture.
	Check to see that both the monitor and the source are
	plugged in and turned on.
The image is too light or too dark	Adjust the Brightness or Contrast settings.
The image is too large or too small	Adjust the Size settings.
No output from one of the speakers	Adjust Balance in the Sound Menu.
Strange sound from the Monitor	Typical sound due to normal Monitor operation, Monitor is not
	faulty.

Warranty Card

iDisplay.TV Corp. (Techview[™]brand) Limited 1 Year Warranty

iDisplay.TV Corp.(Techview[™]brand) hereby warrants, subject to the conditions herein stated in the paragraphs below, that should this product become defective by reason of improper workmanship or material defect during the specified warranty period, iDisplay.TV Corp.(Techview[™]brand), at its option, will repair (on-site service will be provided where available) or refund the same, effecting all necessary parts replacements, without charge for either parts or labor.

Warranty Period:

iDisplay.TV Corp.(Techview™brand), warrants that from the date of purchase, this product will be free from defects in material for a period of one (1) year and a period of (1) year on labor. iDisplay.TV Corp.(Techview™brand)., at its option, will repair (on-site service will be provided where available) or refund this product found to be defective during the warranty period. If the product is no longer available, iDisplay.TV Corp.(Techview™brand), may refund your purchase, with original proof of purchase.

Conditions:

This warranty is valid for the original retail purchaser from the date of initial retail purchase and is not transferable. Keep the original sales receipt. Proof of purchase is required to obtain warranty service and/or refund. iDisplay.TV Corp.(Techview™brand), dealers, service centers, or retail stores selling iDisplay.TV Corp.(Techview™brand), products do not have the right to alter, modify or in any way change the terms and conditions of this warranty.

This warranty does not cover normal wear of parts or damage resulting from any of the following: Negligent use or misuse of the product; Improper voltage or current; Use contrary to the operating instructions; Deviation from instructions regarding storage and transportation; Disassembly; Repair or alteration by anyone other than iDisplay.TV Corp. or a iDisplay.TV Corp.(Techview™brand), authorized service center. Further, the warranty does not cover Acts of God, such as fire, flood, hurricanes and tornadoes.

iDisplay.TV Corp.(Techview[™]brand) shall not be liable for any incidental or consequential damages caused by the breach of any express or implied warranty. Except to the extent prohibited by applicable law, any implied warranty of merchantability or fitness for a particular purpose is limited in duration to the duration of the above warranty. Some states, provinces or jurisdictions do not allow the exclusion or limitation of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitations or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights that vary from state to state or province to province.

How to Obtain Warranty Service

You must contact iDisplay.TV Corp.(Techview[™]brand), Customer Service/Technical Support at our toll-free number 1-866-334-8324 (TECH) or by service@idisplay.tv.

A Customer Service/Technical Support representative will attempt to resolve warranty issues over the phone. If telephone resolution is not possible, the Customer Service/Technical Support representative will require your assistance in performing routine diagnostic procedures.
