# SMK250 USER'S GUIDE

# SING-ALONG WITH BLUETOOTH MUSIC

V 1.0

PLEASE READ BEFORE OPERATING THIS EQUIPMENT

# Warnings

CAUTION: TO REDUCE THE RISK OF ELECTRIC SHOCK, DO NOT REMOVE COVER (OR BACK). NO USER-SERVICEABLE PARTS INSIDE. REFER SERVICING TO QUALIFIED SERVICE PERSONNEL. The Caution marking is located on the bottom panel.

DANGEROUS VOLTAGE: The lightning flash with arrowhead symbol within an equilateral triangle is intended to alert the user to the presence of uninsulated dangerous voltage within the product's enclosure that may be of sufficient magnitude to constitute a risk of electric shock to persons.

ATTENTION: The exclamation point within an equilateral triangle is intended to alert the user to the presence of important operating and maintenance (servicing) instructions in the literature accompanying this product.

DRIPPING WARNING: This product shall not be exposed to dripping or splashing, and no objects filled with liquids, such as vases, shall be placed

VENTILATION WARNING: The normal ventilation of the product shall not be impeded for intended use

SAFETY VERIFICATION: This device is made and tested to meet safety standards of the FCC, requirements and compliance with safety performance of the U.S. Department of Health and Human Services and also with FDA Radiation Performance Standards 21 CFR Subchapter.

WARNING: TO PREVENT FIRE OR SHOCK HAZARD, DO NOT EXPOSE THIS UNIT TO RAIN OR MOISTURE

FCC WARNING: This equipment may generate or use radio frequency energy. Changes or modifications to this equipment may cause harmful interference unless the modifications are expressly approved in the instruction manual. The user could lose the authority to operate this equipment if an unauthorized change or modification is made.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no quarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. Consult the dealer or an experienced radio/TV technician for help.
- The rating information is located at the bottom of the unit.

#### INDUSTRY CANADA NOTICE:

This device complies with Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions:

- This device may not cause interference, and
- This device must accept any interference, including interference that may cause undesired operation of the device.

# Feature / Included

# Feature

- · Bluetooth wireless stereo audio streaming
- Support A2DP Profiles for most smart phones / laptops
- · Mic Volume Controls
- · Echo Control
- Microphone Jacks, 3.5mm x2
- Line in jack 3.5mm (Aux input / Audio input)
- · Light Effect
- Built-in speakers
- Power: Requires AC power adapter or Batteries

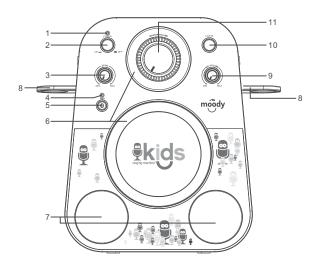

#### Included

- · Singalong unit
- · Microphones
- · AC power adapter
- · User Manual

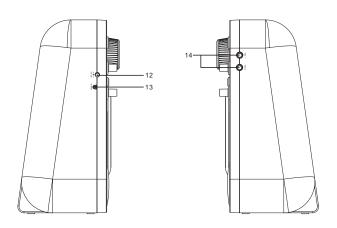

# Introduction

# **FRONT VIEW**

# **REAR VIEW**

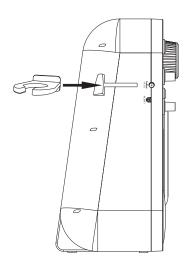

# **Location Controls**

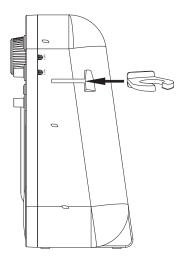

- POWER Indicator: Will be light when unit turn on.
- 2. ON/OFF Button: Press this button to turn on / off unit.
- 3. ECHO Dial: Rotate to adjust echo sound effect.
- **4. BT Indicator:** Will flash when unit turn to BT (Bluetooth mode) pairing. Will be light when Bluetooth pairing successfully.
- 5. PAIR Button: Press to Pair the BT device or reconnect BT device
- 6. LIGHT RING: Will show the light effect
- 7. SPEAKER
- 8. MIC Holder: Place the microphone on the holder
- 9. MIC VOLUME Dial: Rotate to adjust the volume from the MIC input.
- LIGHTS Button: Press this button to show different lights effect and on / off
- 11. MASTER VOLUME Dial: Rotate to adjust the main volume sound level.
- **12. DC INPUT Jack:** Connect power adapter for AC power.
- 13. LINE IN (Aux in / Audio in): Connect to external device audio output.
- 14. MIC Inputs: Mic1 and Mic2 input jack

# Setup Mic holder

#### Install Mic holder

Install the mic holder to hold the Microphone onto unit.

# **Setup Power**

# **Connect Power Adapter**

Plug the included AC adapter into the standard AC power outlet to power the Sing along unit. Connect small end to DC INPUT jack of main unit. After adapter connection, Press the ON/OFF button to turn on/off the Sing along unit.

### **Turning ON/OFF**

To turn on the unit, press the **ON/OFF** button, the Power indicator will light up. To turn it off, press the **ON/OFF** button again, the Power indicator is off.

#### **Lights Function**

It is a four stages switch. Toggle press the **LIGHTS** button get the different brightness lights effect and on/off the lights.

#### Sing along Function

Sing along with the music by plugging in the provided microphone into either one of the microphone sockets on the unit.

#### **Echo**

Adjust the **ECHO**dialof **Sing alongUnit**to enhance your voice for a concert hall effect.

#### **Microphones**

Connect Microphones require a microphone into the MIC 1 Input Socket or MIC 2 Input Socket

Slide the **ON/OFF** switch of the MICROPHONE on and use the unit's **MIC VOLUME** to adjust the volume of audio sound from the microphone.

Requires a microphone (included)

- Plug the microphone (see below figure) into the MIC 1 INPUT or MIC 2 INPUT.
- 2. Slide the **ON /OFF** switch of **MICROPHONE**,
- Use the MIC VOLUME dial of Sing along Unit to adjust the volume of audio sound from the microphone.

## **Bluetooth Operation**

External devices that have a built-in Bluetooth feature can connect wirelessly to the **Sing alongUnit**.

#### **Getting Connected**

Pairing a Bluetooth device (No LINE IN device is plugged)

- 1. Power on the unit by press the **ON/OFF** button, Power indicator will light.
- Set the Bluetooth function of your external device to ON and begin searching for devices.
  - NOTE: The effective distance between your external device and this apparatus is 10 meters (30 feet).
- Once "SMK250" appears on the paired device list of your external device, select it.
- 4. If you are asked for a password, enter "0000".
- 5. "Connected" will be heard and Pair indicator light blue steadily that indicates a connection has been established.
- 6. A few seconds later your Bluetooth connection should be ready to use.

Note: After initial pairing, the unit will stay paired unless unpaired manually by the user or erased due to a reset of the device. If your device should become unpaired or your find it is unable to connect, repeat the above steps or press & hold the PAIR button again.

## Playing Music from an External Bluetooth Device

- 1. Follow the "Getting Connected" steps above to pair your external device.
- Turn on the music player program on your external device and set it to play.
- 3. Audio played through the connected Bluetooth Device will now be heard through the speakers.
- 4. Adjust the **MASTER VOLUME** to obtain the desired volume level.

# **Auxiliary Operation**

External (auxiliary) audio sources or MP3 players can connect to the Sing Along unit via LINE IN.
