

GUARD1/tracking

Wristband Tag

TimeKeeping
Systems, Incorporated

The Guard1 Tracking Wristband Tag (TAG-001) is a completely sealed and reusable device with a long life battery. It is worn on the wrist of individuals to be tracked within facilities utilizing the Guard1 Tracking system.

To use Guard1 Tracking Wristband Tags you will need:

- One-time use Guard1 Tracking Wristband Material
 - Roll of 200 feet
 - or
 - Precut Guard1 Tracking Wristband Strap
- Guard1 Tracking Wristband Clasp Kit
- Guard1 Tracking Wristband Clasp Crimping Tool

Instructions:

- To apply a Guard1 Tracking Wristband Tag to an individual, please refer to the application instructions provided with the wristband material, clasp kit, and crimping tool.
- It is also possible to use the Guard1 Tracking Wristband Tags with third party wristbands. Please refer to the manufacturer’s instructions.
- To remove the Guard1 Tracking Wristband Tag, cut the wristband. The Guard1 Tracking Wristband Tag may be reused during the useful life of the battery.

This device complies with Part 15 of FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by TimeKeeping Systems, Inc. could void the user's authority to operate the equipment.
