Battery installation / Installation des piles / Plaatsen van Batterij / Batteries einlegen / Installazione delle batterie / Instalación de las pilas / Instalação das pilas

1. Remove Battery Case lid and turn it 180° to the other.
2. Remove the battery cover and insert the battery into the Battery Case.
3. Turn the Battery Case lid and turn it 180° to the other.

1. Rimuovi la coperchia della batteria e girala di 180°.

2. Rimuovi la cover della batteria e inserisci la batteria nel vano batteria.

3. Girare la coperchia della batteria e girarla di 180°.

Battery Tidy Controller / Conseils pour les piles du contrôleur / Battroborgs controller / Hinweise zur Controller-Batterie / Suggerimenti sulle batterie del controllore / Suggerencias sobre as pilas del controlador / Dicas para as pilhas do controlador

1. The battery controller is used to control the robot's movement.
2. The battery controller is used to control the robot's movement.
3. The battery controller is used to control the robot's movement.

Battery Tidy Robot / Conseils pour les piles du robot / Battroborgs robot / Hinweise zum Roboter-Aku: / Suggerimenti sulle batterie del robot / Suggerencias sobre as pilas del robot / Dicas para as pilhas do robot

1. The battery controller is used to control the robot's movement.
2. The battery controller is used to control the robot's movement.
3. The battery controller is used to control the robot's movement.

Charging / Chargement / Opladen / Aufladen / Carica delle batterie / Como cargar / Carregamento

1. Make sure the power switch is turned on.
2. Connect the robot to the charging station.
3. Charge the robot for 2 hours.

Pairing / Appairage / Koppeln / Koppeln / Abbinamento / Programación / Conexão

1. Turn on the robot and the controller.
2. Press the pairing button on the controller.
3. The robot will be paired with the controller.

Labels / Vignettes / Labels / Applikationen / Etichette / Calcomanías / Etiquetas

How to battle / Comment combattre / Hoe je moet vechten / Der Kampf / Come Combattere / Como dar batalla / Como lutar

Normal Mode / Mode normal / Normale modus / Normier Modus (Normal Mode) / Modalità Normale / Modo normal / Modo Normal

1. The robot will be paired with the controller.

2. The robot will be paired with the controller.

3. The robot will be paired with the controller.

Point System / Système de points / Puntensysteem / Punktesystem / Sistema di punteggio / Sistema de pontos

1. The robot will be paired with the controller.

2. The robot will be paired with the controller.

3. The robot will be paired with the controller.

Game Modes / Mode jeu / Spelmodus / Spiel Modus (Game Mode) / Modalità di Gioco / Modo juego / Modo de jogo

1. The robot will be paired with the controller.

2. The robot will be paired with the controller.

3. The robot will be paired with the controller.

Tips & Safety Notes / Conseils et remarques sur la sécurité / Tips & Veiligheidsaanwijzingen / Tips und Sicherheitshinweise / Suggerimenti e avvertenze sulla sicurezza / Suggerencias y notas sobre la seguridad / Dicas e Observações de segurança

1. Read the instruction manual carefully.

2. Do not touch the robot's eyes or sensors.

3. Do not use the robot in wet or slippery conditions.

4. Do not use the robot near water or fire.

5. Do not use the robot near children or pets.

6. Do not use the robot near electrical equipment.

7. Do not use the robot near flammable materials.

8. Do not use the robot near power lines.

9. Do not use the robot near moving vehicles.

10. Do not use the robot near tall structures.

11. Do not use the robot near open flames.

12. Do not use the robot near hot surfaces.

13. Do not use the robot near sharp objects.

14. Do not use the robot near heavy machinery.

15. Do not use the robot near construction sites.

16. Do not use the robot near power tools.

17. Do not use the robot near electrical outlets.

18. Do not use the robot near electrical switches.

19. Do not use the robot near electrical panels.

20. Do not use the robot near electrical conduits.

21. Do not use the robot near electrical cables.

22. Do not use the robot near electrical wires.

23. Do not use the robot near electrical conduits.

24. Do not use the robot near electrical wires.

25. Do not use the robot near electrical conduits.

26. Do not use the robot near electrical wires.

27. Do not use the robot near electrical conduits.

28. Do not use the robot near electrical wires.

29. Do not use the robot near electrical conduits.

30. Do not use the robot near electrical wires.

Declaration of Conformity / Déclaration de conformité / Conformiteitsverklaring / Konformitätserklärung

1. The robot is in conformity with the CE mark.

2. The robot is in conformity with the CE mark.

3. The robot is in conformity with the CE mark.

Dichiarazione di Conformità / Declaración de Conformidad / Declaração de Conformidade

1. The robot is in conformity with the CE mark.

2. The robot is in conformity with the CE mark.

3. The robot is in conformity with the CE mark.

Installation / Installation / Instalación / Einlegen / Plaatsen / Installazione / Instalação

1. Place the robot on the arena.
2. Place the robot on the arena.
3. Place the robot on the arena.
4. Place the robot on the arena.
5. Place the robot on the arena.
6. Place the robot on the arena.
7. Place the robot on the arena.
8. Place the robot on the arena.
9. Place the robot on the arena.
10. Place the robot on the arena.
11. Place the robot on the arena.
12. Place the robot on the arena.
13. Place the robot on the arena.
14. Place the robot on the arena.
15. Place the robot on the arena.
16. Place the robot on the arena.
17. Place the robot on the arena.
18. Place the robot on the arena.
19. Place the robot on the arena.
20. Place the robot on the arena.
21. Place the robot on the arena.
22. Place the robot on the arena.
23. Place the robot on the arena.
24. Place the robot on the arena.
25. Place the robot on the arena.
26. Place the robot on the arena.
27. Place the robot on the arena.
28. Place the robot on the arena.
29. Place the robot on the arena.
30. Place the robot on the arena.

Arena Modes / Modes Arène / Arena Modes / Arena Modi / Modalità Arena / Modos del estadio / Modos do ringue

1. The robot will be paired with the controller.

2. The robot will be paired with the controller.

3. The robot will be paired with the controller.

Arena / Arène / Arena / Arena / Arena / Estadio / Ringue

1. The robot will be paired with the controller.

2. The robot will be paired with the controller.

3. The robot will be paired with the controller.

Training / Entraînement / Training / Training / Esercitazioni / Entrenamiento / Treinamento

1. The robot will be paired with the controller.

2. The robot will be paired with the controller.

3. The robot will be paired with the controller.

WARNING: CHOKING HAZARD - Small parts Not for Children under 3 years.

ATTENTION: RISQUE D'ASPHYXIE - Pièces de petite taille Ne convient pas aux enfants de moins de 3 ans.

1. The robot will be paired with the controller.

2. The robot will be paired with the controller.

3. The robot will be paired with the controller.

4. The robot will be paired with the controller.

5. The robot will be paired with the controller.

6. The robot will be paired with the controller.

7. The robot will be paired with the controller.

8. The robot will be paired with the controller.

9. The robot will be paired with the controller.

10. The robot will be paired with the controller.

11. The robot will be paired with the controller.

12. The robot will be paired with the controller.

13. The robot will be paired with the controller.

14. The robot will be paired with the controller.

15. The robot will be paired with the controller.

16. The robot will be paired with the controller.

17. The robot will be paired with the controller.

18. The robot will be paired with the controller.

19. The robot will be paired with the controller.

20. The robot will be paired with the controller.

21. The robot will be paired with the controller.

22. The robot will be paired with the controller.

23. The robot will be paired with the controller.

24. The robot will be paired with the controller.

25. The robot will be paired with the controller.

26. The robot will be paired with the controller.

27. The robot will be paired with the controller.

28. The robot will be paired with the controller.

29. The robot will be paired with the controller.

30. The robot will be paired with the controller.
