

Drip Bubblers (Pressure Compensating)

Landscape Drip

Toro's new pressure-compensating 1/2" threaded Drip Bubblers are built to perform in tough environments. Bringing commercial-grade ruggedness to drip irrigation, they're easy to install, virtually maintenance-free, and are a more robust alternative to traditional drip emitters connected to 1/4" tubing. The innovative design of these Drip Bubblers combines the low flow rates of drip emitters with the ease of 1/2" PVC riser installation. A self-sealing screen eliminates the need for plumber's tape and the chloramine-stabilized silicone diaphragms assure long-term reliability with potable or reclaimed water. Toro continues to set the standard for performance and durability in the world of drip irrigation.

Features & Benefits

Easy to Install

Easily threads on to a 1/2" threaded riser. The self-sealing screen eliminates the cost and labor of having to use plumber's tape on every riser.

Easy to Maintain

Self-cleaning mechanism flushes at every startup, ensuring reliable operation and fewer maintenance headaches.

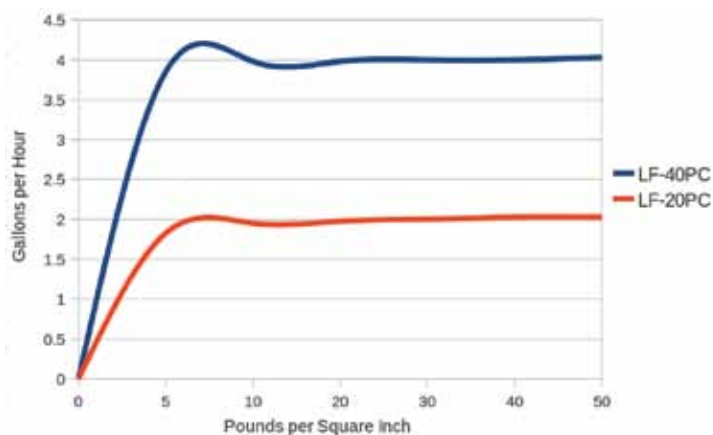

Durable Construction

Commercial-grade plastic and chloramine-stabilized silicone diaphragm provide dependable UV- and chemical-resistant performance in the least forgiving of environments.

Pressure Compensating

Pressure compensating to 2 and 4 GPH over a range of 5-50 PSI.

Specifications

Operating Range

- Flow Rates: 2.0 GPH & 4.0 GPH
- Pressure Compensation: 5 – 50 PSI
- Minimum Filtration Requirement: 80 Mesh

Operating Specifications

- ½" FIPT inlet; diffuser cap outlet
- Self-sealing screen eliminates need for plumber's tape
- Self-cleaning flush at startup minimizes clogging and maintenance
- Flow rate molded into the identification
- Commercial-grade plastic and chloramine-stabilized silicone diaphragm provide dependable UV- and chemical-resistant performance
- Effluent and non-effluent models

Warranty

- Two years

Effluent Model

Non-effluent Model

Specifying Information — Drip Bubblers

Model Number	Description
LF20-PC	2.0 GPH PC Bubbler
LF40-PC	4.0 GPH PC Bubbler
LF20-PCE	2.0 GPH PC Bubbler, Effluent
LF40-PCE	4.0 GPH PC Bubbler, Effluent
