GETTING STARTED

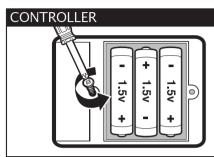

Remove the R/C vehicle and controller from the package. Insert batteries into the R/C vehicle and controller to begin full function play (see "Battery Installation" section for further details).

CAUTION

Important Battery Information

- Dispose of batteries properly.
- Do not dispose of batteries in fire.
- · Use only batteries of the type recommended.
- Do not mix alkaline, standard (carbon-zinc) or rechargeable (nickel-cadmium) batteries.
- Do not mix old and new batteries.
- Remove batteries from R/C vehicle and controller if vehicle will not be used for a long period of time.

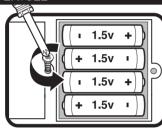

BATTERY INSTALLATION

- 1. To remove battery cover, loosen screw
- 2. Insert 3 "AAA" batteries into the controller. Be sure the + and - are properly matched.

ENG

- 1. To remove battery cover, loosen screw
- 2. Insert 4 "AAA" batteries into the vehicle. Be sure the + and - are properly matched.

NOTE: For best performance, always use alkaline batteries only.

STRONG BATTERY MEANS OPTIMUM PERFORMANCE Save the battery by turning off vehicle when not in use.

MUTE SWITCH

This unit is equipped with a mute switch. Use the mute switch when "Quiet Time" is needed. It is located on either the controller or the vehicle.

OPERATING R/C VEHICLE

Toggle DEMO/OFF/PLAY switch located on bottom of R/C vehicle to the PLAY

- Hold joystick 1 and 2 forward to
- Hold joystick 1 and 2 back to drive
- Hold joystick 1 forward to turn right while going forward Hold joystick 2 forward to turn left
- Hold joystick 1 back to turn right
- Hold joystick 2 back to turn left going in reverse
- Hold joystick 1 forward and 2 back to spin clockwise Hold joystick 1 back and 2 forward
- to spin counter clockwise
- · Press button 3 for lights and sounds • Press button 4 to do a front wheelie
- · While in a front wheelie position, drive or spin freely using any of the button combinations listed
- going in reverse

- Press button 5 on the vehicle to drive forward with lights and sounds
- Press button 6 on the vehicle to do a
- Press button 7 on the vehicle for lights and sounds

After play, always turn vehicle off. Remove batteries from controller and R/C vehicle when not in use or when storing. Leakage may occur and cause damage if left for a long period of time.

CLEANING AND MAINTAINING

Brush areas where dirt and dust get trapped.

Wipe body off with a soft rag or tact cloth.

Do not clean vehicle with chemicals or water.

FEDERAL COMMUNICATIONS COMMISSION COMPLIANCE

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: 1). This device may not cause harmful interference, and.

2). This device must accept any interference received including interference that may cause undesired operation. Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. Note: this equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These Limits are designed to provide reasonable protection against harmful interference in a residential installation. This generates, uses and can radiate radio frequency energy and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on , the user is encouraged to try and correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna - Increase the separation between the equipment and receiver - Connect the equipment to an outlet on a circuit different from that to which the receiver is connected - Consult the dealer or an experienced radio/TV technician for help.

MANUFACTURER'S NOTE

"Modifications not authorized by the manufacturer may void users authority to operate the device."

ATTENTION PARENTS

This toy and all accessories need to be periodically examined for potential hazards and any potentially hazardous parts be repaired or replaced.
