

Smart Wi-Fi Light Switch

HS200

Highlights

- **Remote Access** – Control your home lighting wirelessly from anywhere using the free Kasa app on your smartphone.
- **Scheduling** – Set schedules to turn the lights on and off at dawn, dusk or any chosen time.
- **Away Mode** – Simulate occupancy by turning your lights on and off randomly while away.
- **Works with Amazon Alexa** – Turn on or off the bulbs connected to the Smart Switch just using your voice with Amazon Echo, Dot, Tap and other supported devices(sold separately).
- **LED Indicator** – Find the switch easily when lights go off at night.

Description

Easily turn on/off your lighting from anywhere in the world by a free Kasa App. You can also set some customized rules to turn it on/off as you scheduled.

Features

Ease of Use

- **Control Your Lights Remotely** - The Smart Switch makes it easy to manage your lights as well as ceiling fans anywhere in the world with a tap of your smartphone.
- **Schedule and Timer** - The Smart Switch can turn on/off the lights at dawn, dusk or any chosen time according to your settings, for your convenience and favors.

Compatibility

- **Works with Amazon Alexa** - You can pair the Smart Switches with Amazon Echo, Dot, Tap and other supported devices for voice control.
- **Compatible with Android, iOS** - The free Kasa app lets you run them from any Android (4.1 and higher) or iOS (iOS 8 and higher) smartphone.

Rich Functionality

- **Away Mode** - Turn your devices on and off randomly to simulate that someone is home when you leave your house for a period of time.
- **Sunrise/Sunset Time** - Set your porch light to turn on when it gets dark and off as the sun comes up.
