COMPLIANCE WITH FCC RULES AND REGULATIONS

This equipment has been tested and found to comply with the limits for a class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.This equipment generates, uses and radiates radio frequency energy and if not installed and used in accordance with the instructions,may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try and correct the interference by one or more of the following measures:

- Reorient or relocate the receiver antenna.
- Increase the separation between the equipment and the receiver.
- Connect the equipment into an outlet that is different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/television technician for help.

The user is cautioned that changes and modifications made to the equipment without the approval of the manufacturer could void the user's authority to operate his equipment.

FCC Authorization Label

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference and

2. This device must accept any interference received, including interference that may cause undesired operation.

FCC ID #: MG3UR9964

OFA Kameleon 8-Device Remote with RF

Command Center: (FCC Image)

IC Authorization Label

IC:2575-UR9966

The term " IC:2575-UR9966" before the certification/registration
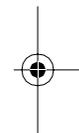

number only signifies that the Industry Canada technical specifications were met.

LIMITED WARRANTY

Universal Electronics warrants, to the original purchaser only, that this product will be free from defects in materials and workmanship, under normal use, for ninety (90) days from the date of original purchase.

This limited warranty is valid only on Universal Electronics product purchased and used in the United States of America or Canada, and does not apply to products used for industrial or commercial purpose.

The limited warranty does not cover damage or failure caused by products or services not supplied by Universal Electronics, or which result from accident, misuse, abuse, neglect, mishandling, misapplication, faulty installation, set-up adjustment, improper maintenance, alteration, maladjustment of consumer controls, modifications, commercial use, or that is attributable to acts of God.

There are no express warranties except as listed above.Universal Electronics SHALL NOT BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES RESULTING FROM THE USE OF THIS PRODUCT OR ARISING OUT OF ANY BREACH OF WARRANTY.ALL EXPRESS AND IMPLIED WARRANTIES, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE,ARE LIMITED TO THE WARRANTY PERIOD SET FORTH ABOVE. Some states do not allow the exclusion or limitation of incidental or consequential damages, or limitations on how long an implied warranty lasts, so the above exclusions or limitations may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.

To obtain warranty service for a defective product during the warranty period, please return the product, preferably in the original carton, along with your purchase receipt, to the store of original purchase.A note detailing the complaint would be helpful.The store, at its option, will replace or repair this product if found to be defective.

For warranty information only, call:
(330) 405-8655

BATTERY USE AND SAFETY

• Dispose of old batteries promptly and properly.

• Do not burn or bury batteries.

• Use only new batteries of the required size.

• Do not mix old and new batteries, different types of batteries (e.g., standard, alkaline, or rechargeable), or rechargeable batteries of different capacities.

• If you do not plan to use the remote control for an extended period, remove the batteries. They can leak chemicals that can destroy electronic parts.

• If you're using rechargeable batteries, we recommend using a NiMH type with a capacity of 550 mAhr or more.

ABOUT BATTERY LIFE

As with all battery-operated devices, battery life will vary depending on use, including frequency and duration of key presses on the Kameleon screen. Battery life may be extended by performing some or all of the following:

• Reducing the brightness level of the display screen (see *Adjusting Brightness* on page 13).

• Reducing the on time of the display screen (see *Adjusting How Long the Screen Light is On* on page 14).

• Disabling the vibration switch (see *Setting The Vibration Switch* on page 15).

The two bottom IR indicator segments will flash when the batteries in your Kameleon are running low.

SPECIFICATIONS

Remote Control Power . . . . .4 AAA Batteries
IR/RF Base Station Power Cord Power . . . . 120 Vac TBD
Remote Control to IR/RF Base Station Range . . . . . up to 100 Feet (30.48 m)*
IR/RF Base Station to Device Range   . . . . 25 Feet (7.62 m) ± 30°

* Distance may vary

Remote Control Dimen
(H x W x D) . . . .   -2/16 x 2-10/16 x 1-3/16 in.
(H x W x D) . . . . 232 x 65 x 31 mm

USER'S GUIDE

IR/RF Base Station Dimensions

(H x W x D) . . . . 1-9/16 x 5 -1/16 x 4 in (TBD)
(H x W x D) . . . . 39.7 x 128.6 x 101.6 mm (TBD)
Remote Control Weight (without Batteries). . . . . 8 oz (220 g)
IR/RF Base Station Weight (Without Power Adapter) . . . . . . TBD oz (TBD g)

NOTE:

Specifications are typical. Individual units might vary. Specifications are subject to change and improvement without notice.
