## Notes

1/ On the installer DVDROM, a full listing of the categories and sounds is available in Excel and HTML formats. Use them for easy searching of the contents.

2/ Whenever possible, the sounds in this collection have been tuned. For tuned sounds, a reference note is appended to the name of the sound. Example: Hi Noise\_D#3

3/ When the preset is a single sample, the size information is in seconds. For multisample presets, size information is given in megabytes.

4/ Every menu or scene presets start from key C1.
