Full Color Video Monitor

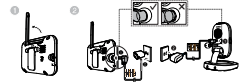

**vtech** Quick start guide

## WHAT'S IN THE BOX

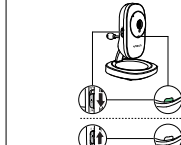

## 1 CONNECT THE BABY MONITOR

- Notes:**
- 1. The baby unit's battery is the parent unit's battery.
  - 2. Identify the power adapter supplied with this product.
  - 3. Make sure the adapter is correctly inserted into the power outlet and the baby unit.
  - 4. Connect the power adapter to the baby unit's power jack. The power adapter is designed to be used with the baby unit's power jack. Do not use any other power adapter or power source. Otherwise, the baby unit may be damaged or the battery may be damaged.
  - 5. Make sure the parent unit, the baby unit, and the power adapter are in the out of reach of children.

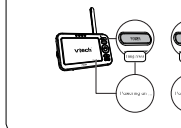

## 2 POWER ON OR OFF THE BABY MONITOR

1. Use the **ON/OFF** switch to power on or off your baby unit.

2. **Press and hold** **POWER** to power on or off your parent unit.

## 3 POSITIONING THE BABY MONITOR

1. **Caution:** Do not place the baby unit on a bed, sofa, or any other surface where the baby unit could be reached by the baby. The baby unit is not designed to be used in this manner.
2. **Note:** Do not place the baby unit near other electronic devices, such as your baby's stroller or car seat. The baby unit may interfere with the operation of these devices.

## 4 STATUS CHECK

Once you power on both the baby unit and parent unit, your parent unit displays image from the baby unit, and the **LED** light turns on.

## BASIC OPERATION - PARENT UNIT

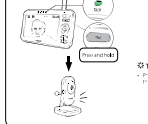

### Adjust speaker volume

Press **+** or **-** to adjust your parent unit speaker volume.

### Talk to your baby unit

Press **+** or **-** to talk to your baby unit. Your voice is transmitted to the baby unit.

### Zoom

Press **+** or **-** to zoom in or out.

### Turn off the screen

Press **+** or **-** to turn off the screen. You can still hear sound from the baby unit.

### Use the menu

Press **+** or **-** to enter the menu, choose a menu item, or save a setting. You can use the parent unit for advanced settings or operations, such as to play or stop the baby unit's lullaby, or to adjust the baby unit's sound sensitivity.

While in the menu:

- Press **+** or **-** to scroll among the menu options.
- Press **+** or **-** to select an item.
- Press **+** or **-** to return to the menu menu or talk screen.

### Overview - Parent Unit
