**2-way audio doorbell**  
Talk to visitors from inside your home with a CareLine cordless phone system and this accessory device. The handset and base (sold separately) chime when a visitor presses the button on the included doorbell. Then, you can have a two-way conversation without getting up.

**Weather resistant**  
This cordless doorbell can withstand the elements like rain, snow, and hot or cold temperatures.

**Accessory device only**  
Requires an SN5127 or SN5147 series phone to operate.
