vtech Quick start guide

Congratulations

on purchasing your new VTech product. Before using this baby monitor, please read the Important safety instructions For support, shopping, and everything new at VTech, visit our website at www.vtechphones.com. In Canada, visit www.vtechcanada.com.

hat does this HD Video Monitor do?

VTech 5" Smart Wi-Fi 1080p Video Monitor allows you to stay close to your baby when you are on the move or away

This monitor is Wi-Fi enabled, which uses your home wireless network to stream live video and audio through the HD baby unit and 5-inch color screen parent unit. It allows you to maintain a constant connection to your baby.

You can also monitor from your smartphone and mobile tablet.

VTech 5" Smart Wi-Fi 1080p Video Monitor uses MyVTech Baby Plus app to let you instantly see and hear what's happening with your baby from anywhere in the world. Download the app at the App Store or the Google Play™ Store directly from your smartphone or mobile tablet
