Re: Compliance Statement in Vehicle Manual

The model Vansco True Ground Speed Sensor 740030A is installed in vehicles as original equipment. We do not supply a manual with the unit but we do notify the vehicle manufacturer of the required statements that must be placed in their users manual, meeting the requirements of the Federal Communications Commission CFR 47, Part 15, Paragraph 15.19(a)(3) and Industry Canada RSS-GEN, Paragraph 7.1.5:

A representative copy of this notification letter is attached.

Sincerely,

A handwritten signature in black ink, appearing to read "John Lion". The signature is fluid and cursive, with a long horizontal stroke at the end.

John Lion
Vice President of Engineering

Telephone Number: 2044526776
Fax Number : 2044527156
Email Address: lion@vansco.ca

The model Vansco True Ground Speed Sensor 740030A is installed in your vehicles as original equipment. We do not supply a manual with this unit but we request that the following required statements be placed in the vehicle manual to meet the requirements of the Federal Communications Commission CFR 47, Part 15, and Industry Canada RSS-GEN.

COMPLIANCE STATEMENT

"This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions: 1) This device may not cause harmful interference, and, 2) This device must accept any interference received including interference that may cause undesired operation."

MODIFICATION CAUTION STATEMENT:

"CAUTION TO USER: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment."

Sincerely

John Lion
Vice President of Engineering
