Charging the battery

1. Insert the charging cable into the Micro USB input port, connect the USB plug into 5V USB power terminal. The charging LED indicator will turn on.
2. After charging completed, the LED indicator will turn off.

Note: When music sound becomes smaller and you hear the warning tone , please charge this speaker in time.

Bluetooth pairing for music / phone call / camera remote shutter

1. a. Turn on the speaker by pressing" ⏻ " button for 3 seconds. The speaker will have a voice prompt and blue indicator will flash.
   b. Stereo mode (only for two speakers):
   Power on two A1. Double press " ⏻ " on one A1. Connected prompts are heard once the speakers are paired successfully, then main speaker will blink and vice speaker will light on. After the first pairing, the A1 will connect automatically when you turn them both on.
2. Turn on your device and activate the Bluetooth function.
3. Search for Bluetooth pairing name" A1 " and click to pair, the speaker will pair automatically and the speaker will have a voice prompt.
   Then, you can play music or just need to press " ⏻ " button to answer the call when the call is coming.
4. Long press " ⏻ " button to turn off the speaker.
   Note: Turn off main speaker, two speakers will turn off together, turn off vice speaker, main speaker still can work.

Transfer between selfie mode and keyboard mode

Double click " ⏻ " button of the speaker to transfer the selfie mode and keyboard mode(you will hear a sound which like taking picture or keyboard). Under selfie mode, one click to take a photo when open Camera APP. (If close Camera APP, continuous click to up volume.) ; Under keyboard mode, one click to Play / Pause.
Note: It is keyboard mode when open the speaker by default.
