Re: Part 15.21 manual statement.  
FCC ID QGZ-B1000  
Date: 15 Jan 2003

It was recently brought to Vocera's attention that the FCC Part 15.21 "Non modification" manual statement was inadvertently omitted from the most recent draft of the user manual.

The statement below will be inserted back into the user manual in the Regulatory notices section of the manual beginning on manual page 49 (PDF page 59 )

On behalf of Vocera Communications,

A handwritten signature in black ink, appearing to read "David Waitt".

**NON MODIFICATION STATEMENT**

Use only the supplied internal antenna. Unauthorized antennas, modifications, or attachments could damage the badge and could violate FCC regulations and void the user's authority to operate the equipment.
